This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

**M3G**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

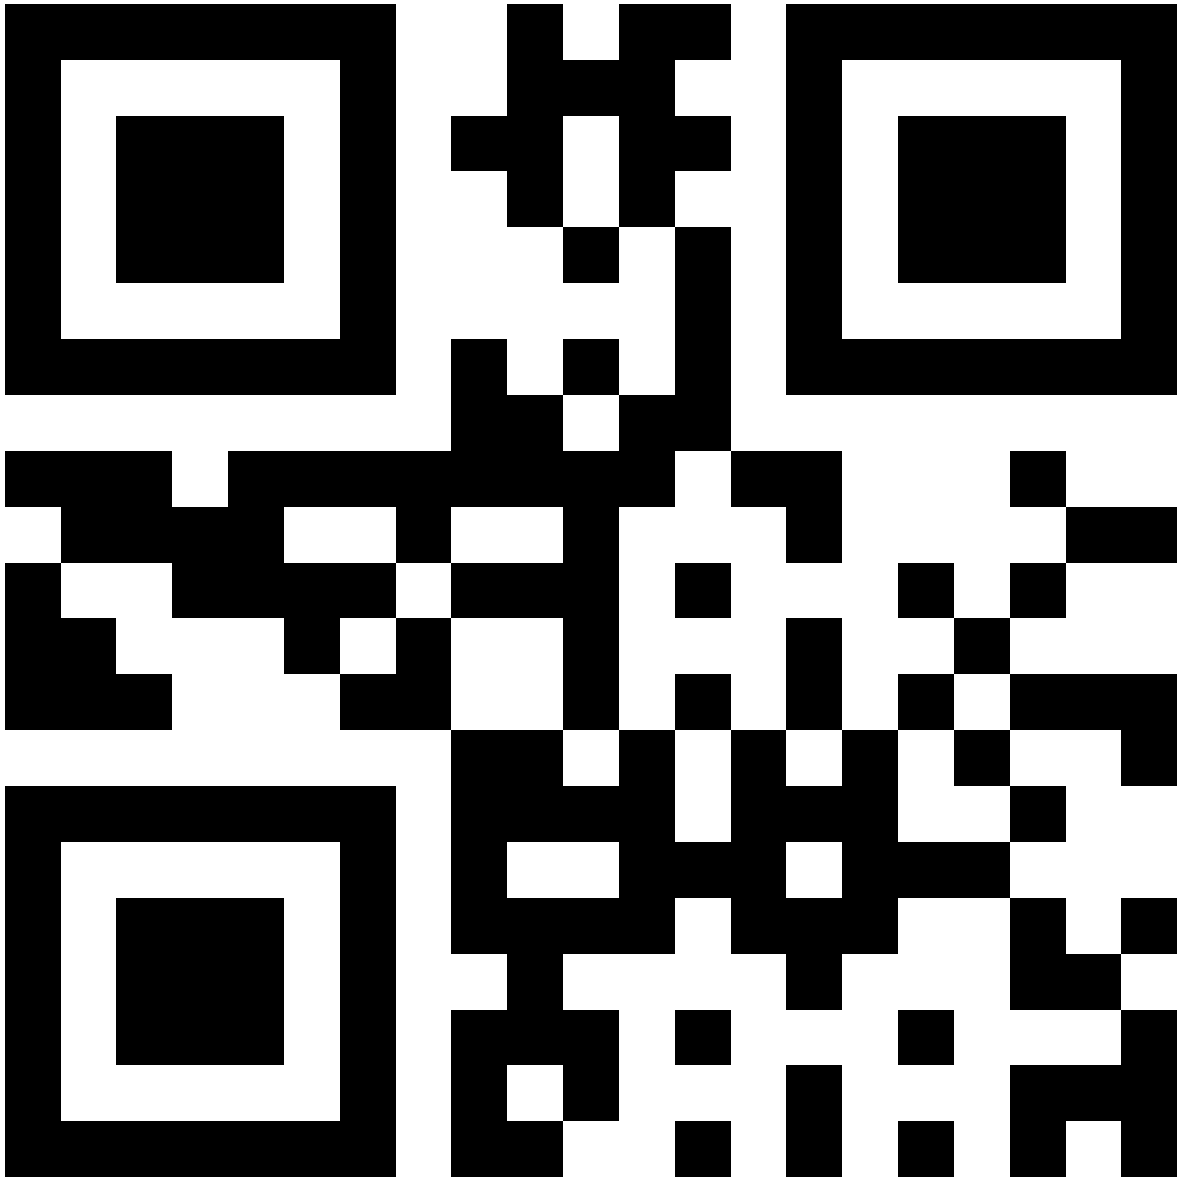

**J1G**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

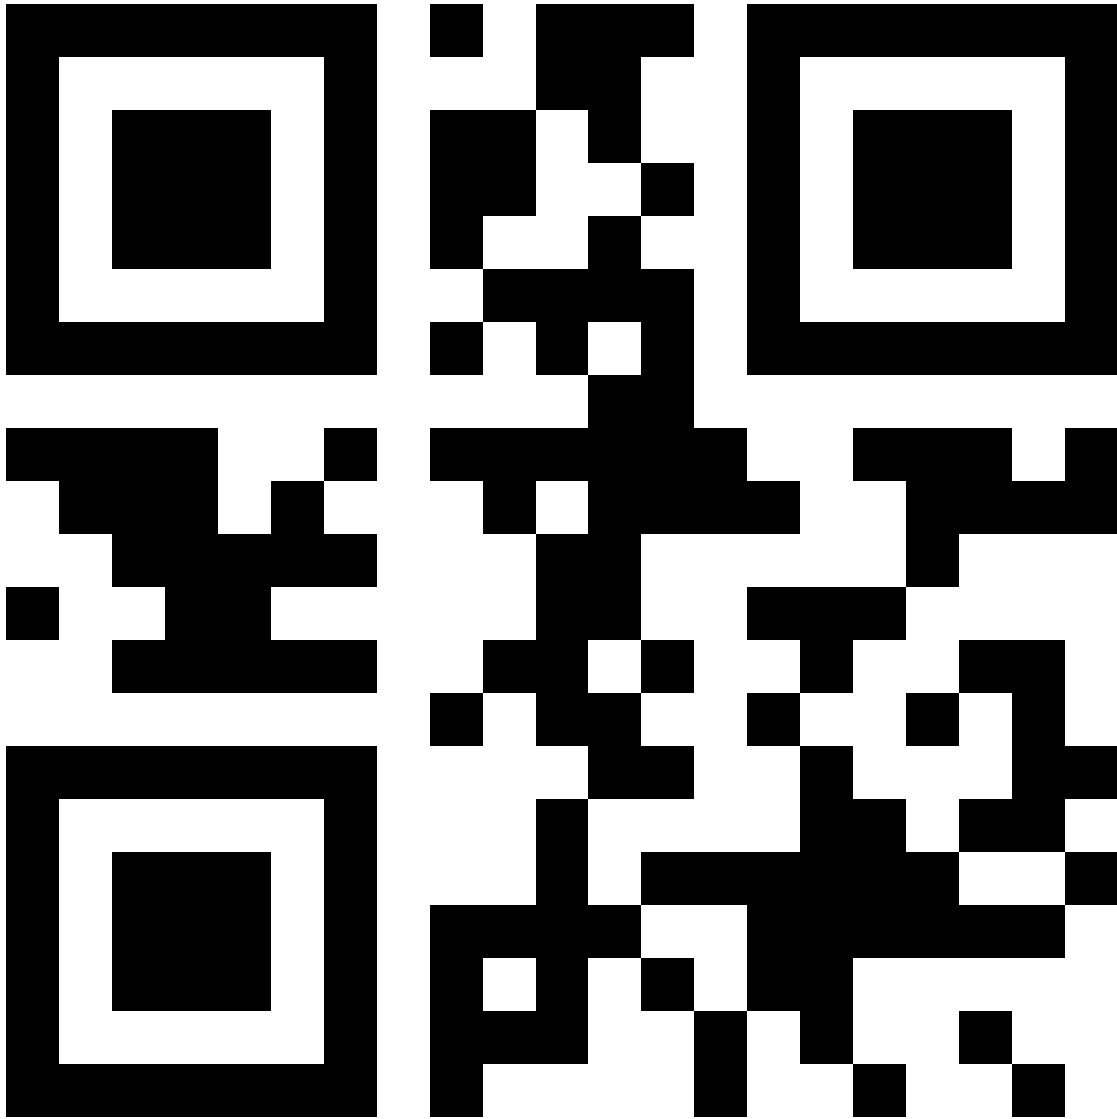

**J2G**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

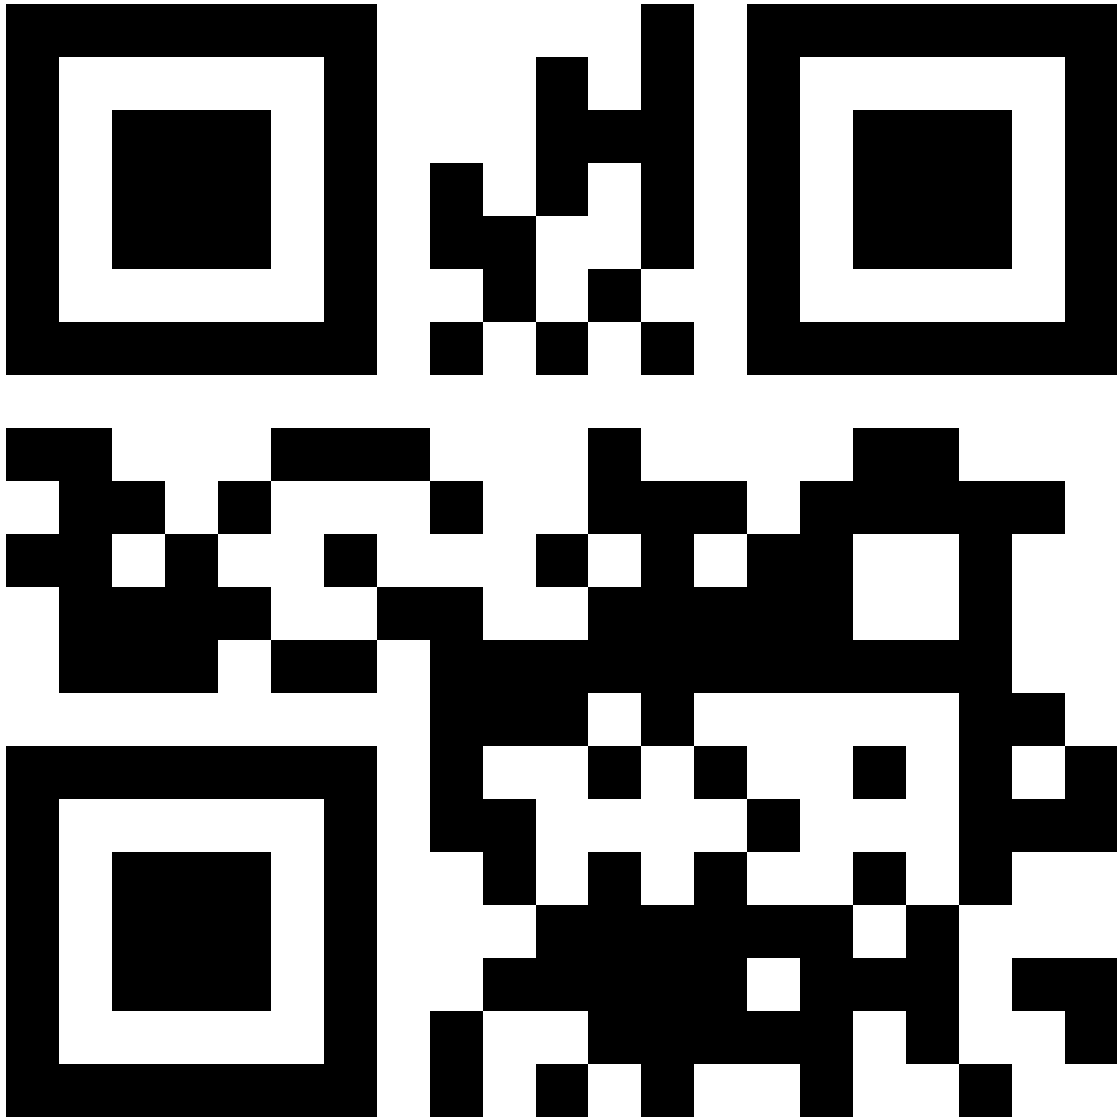

**J3G**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

**J4G**

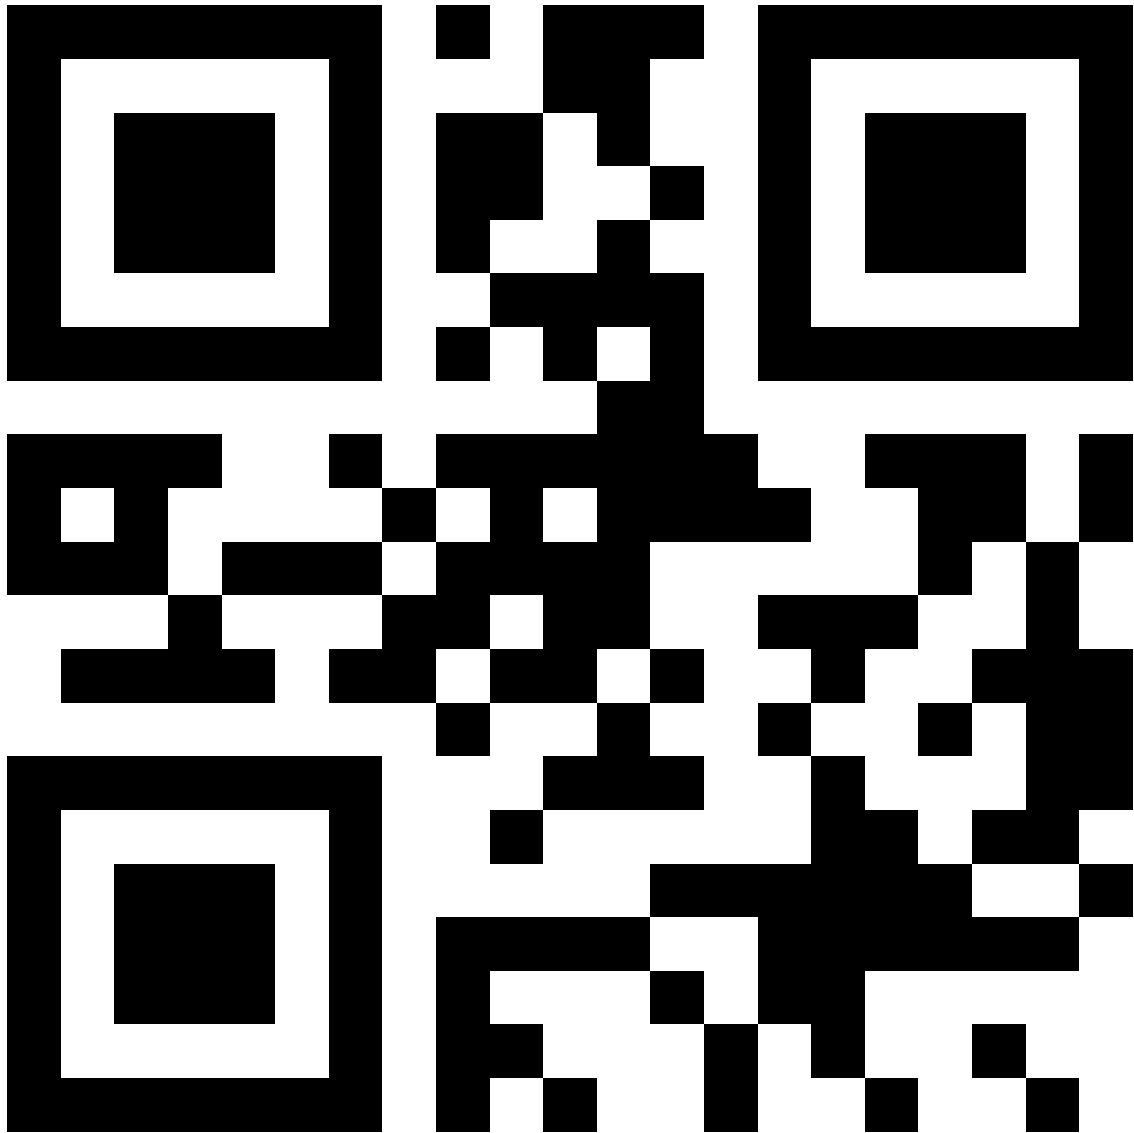

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

**AIG**

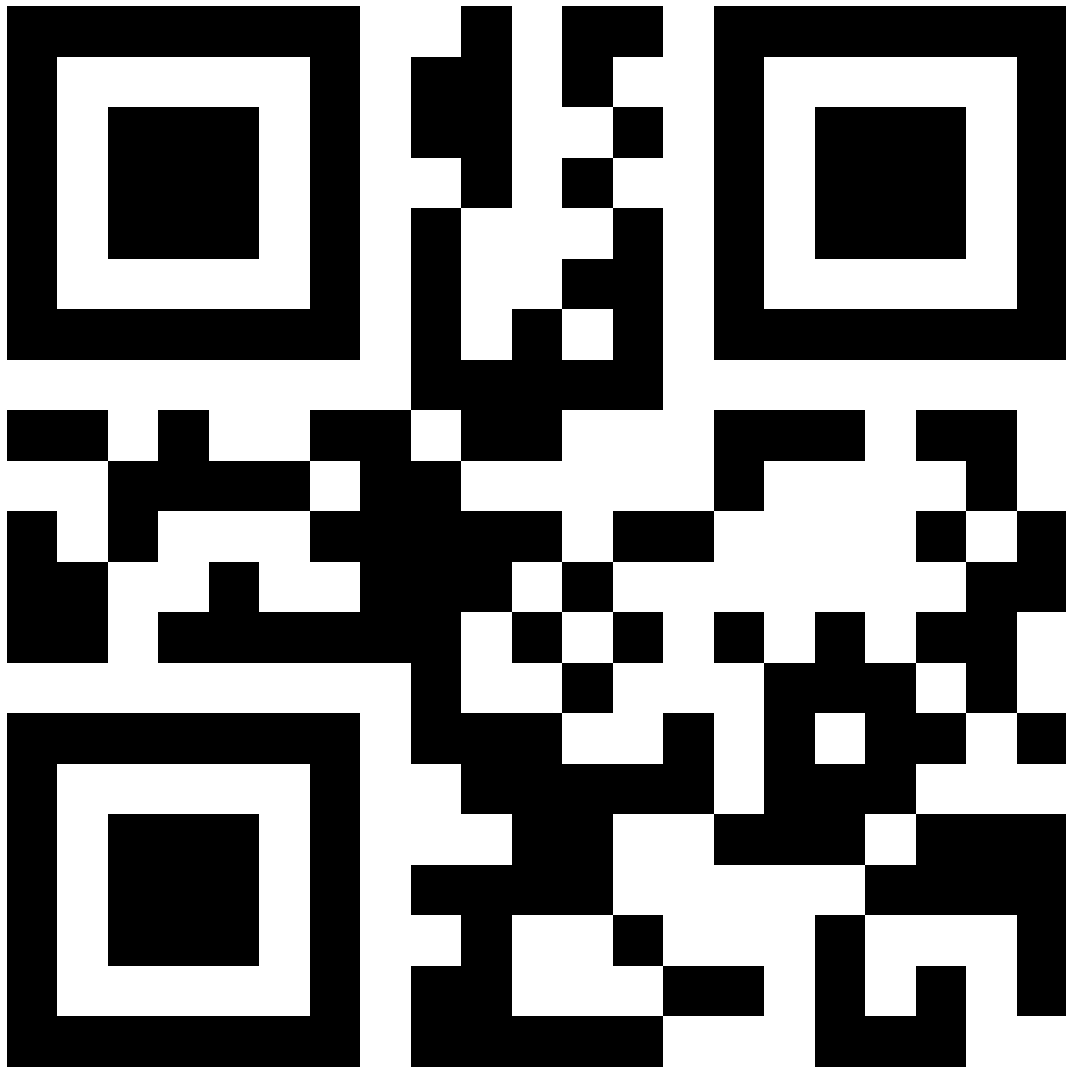

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

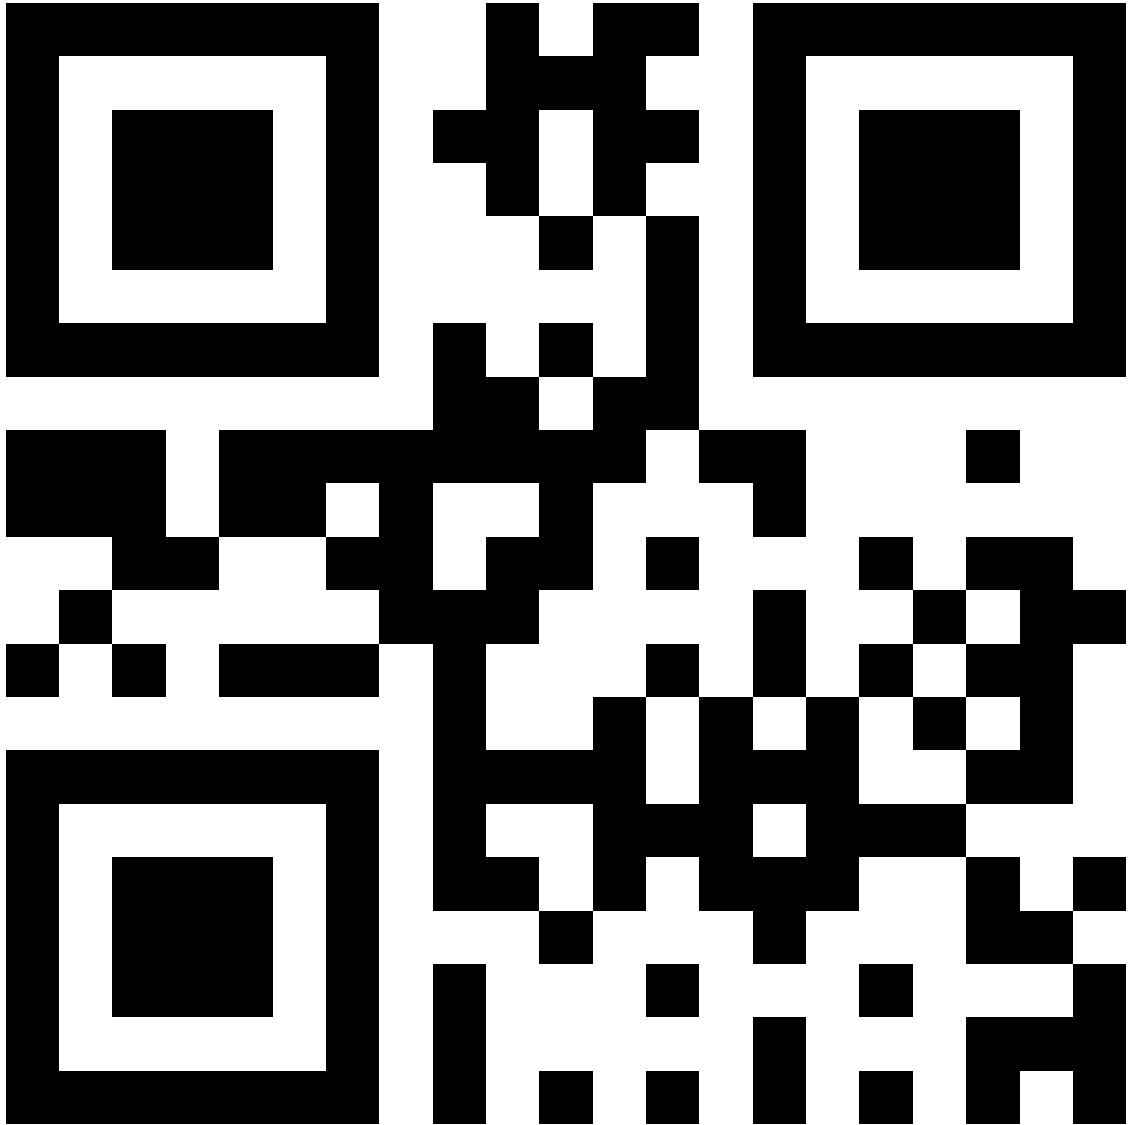

**ACG**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

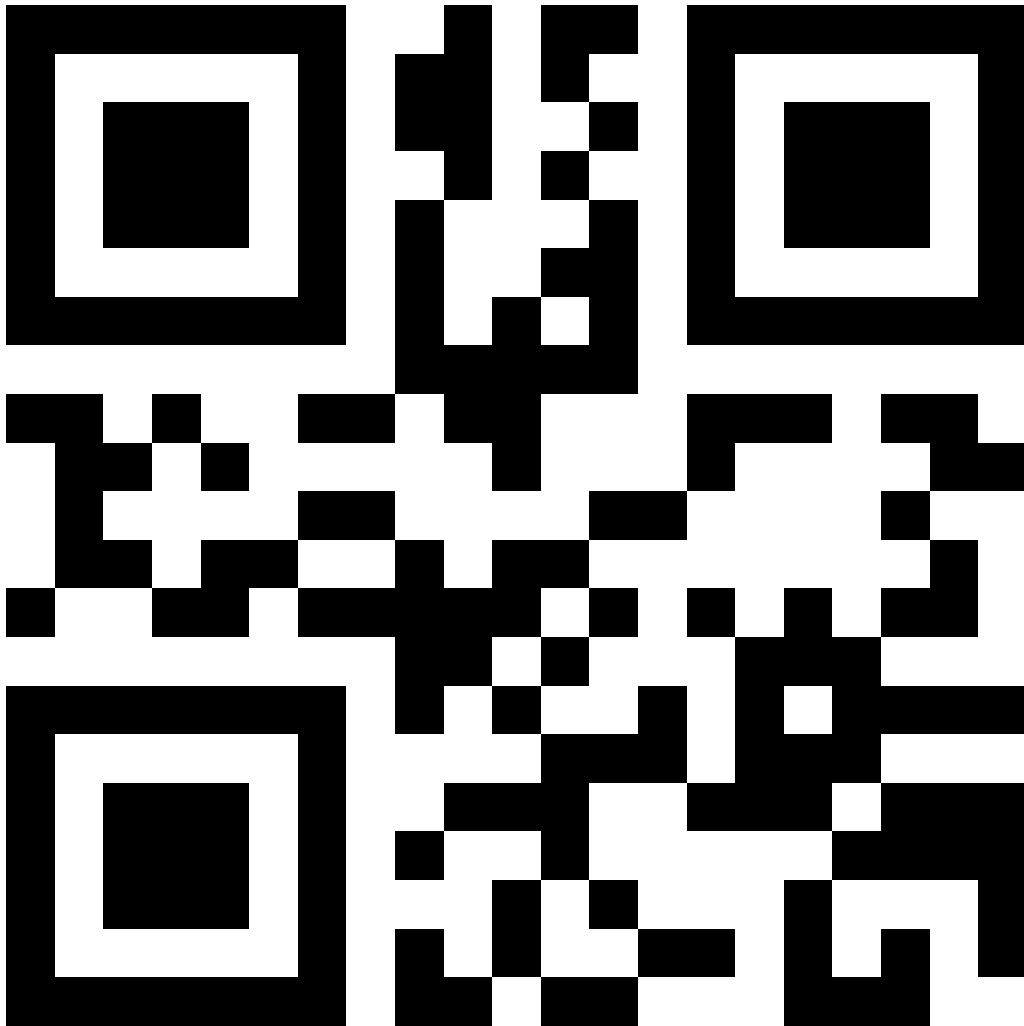

**A2G**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

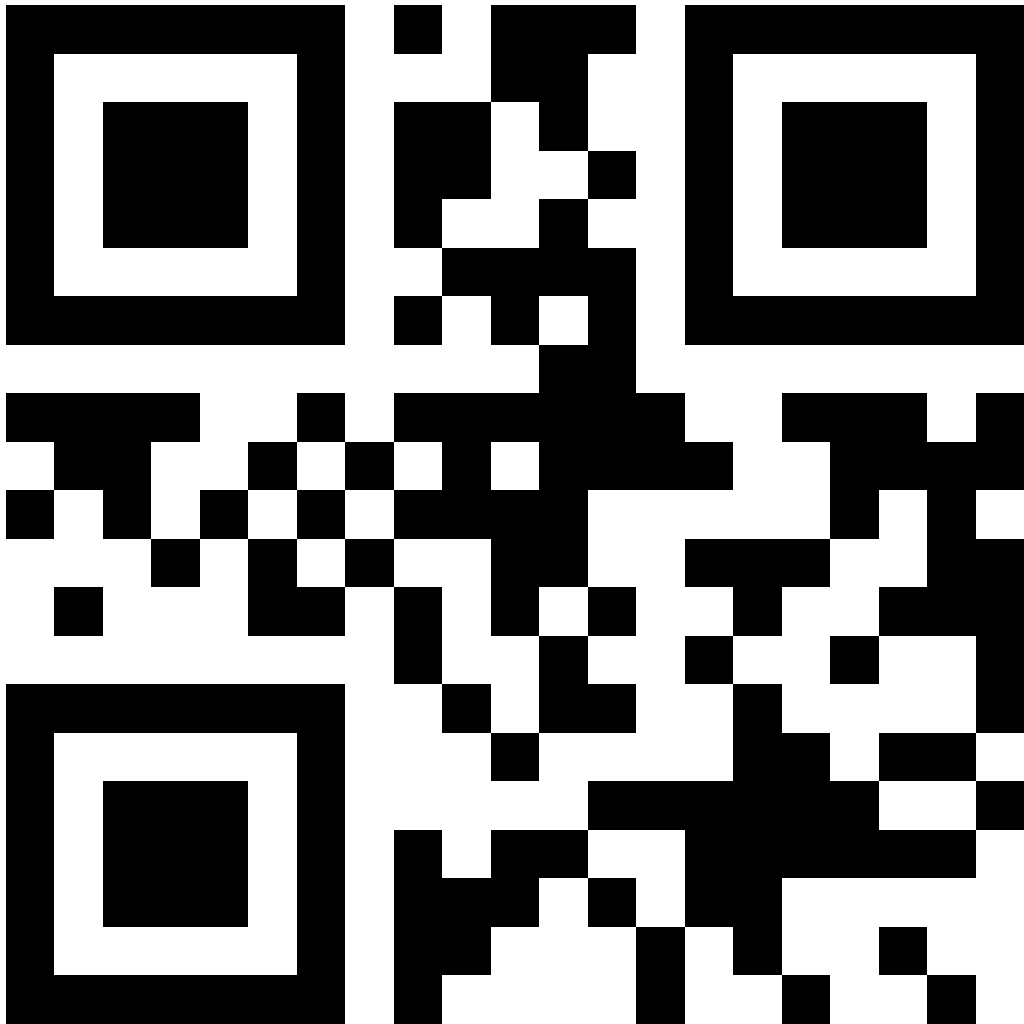

**SIG**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

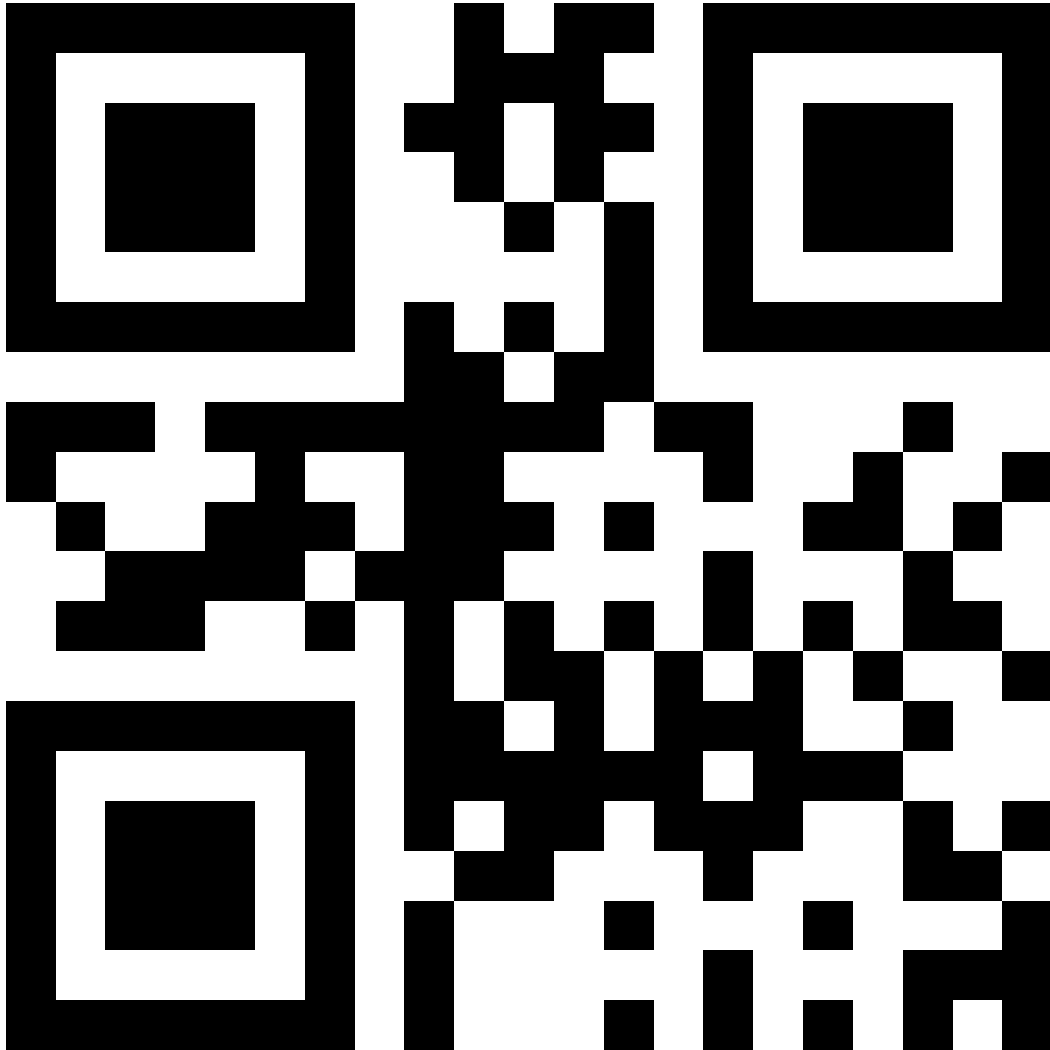

**S2G**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

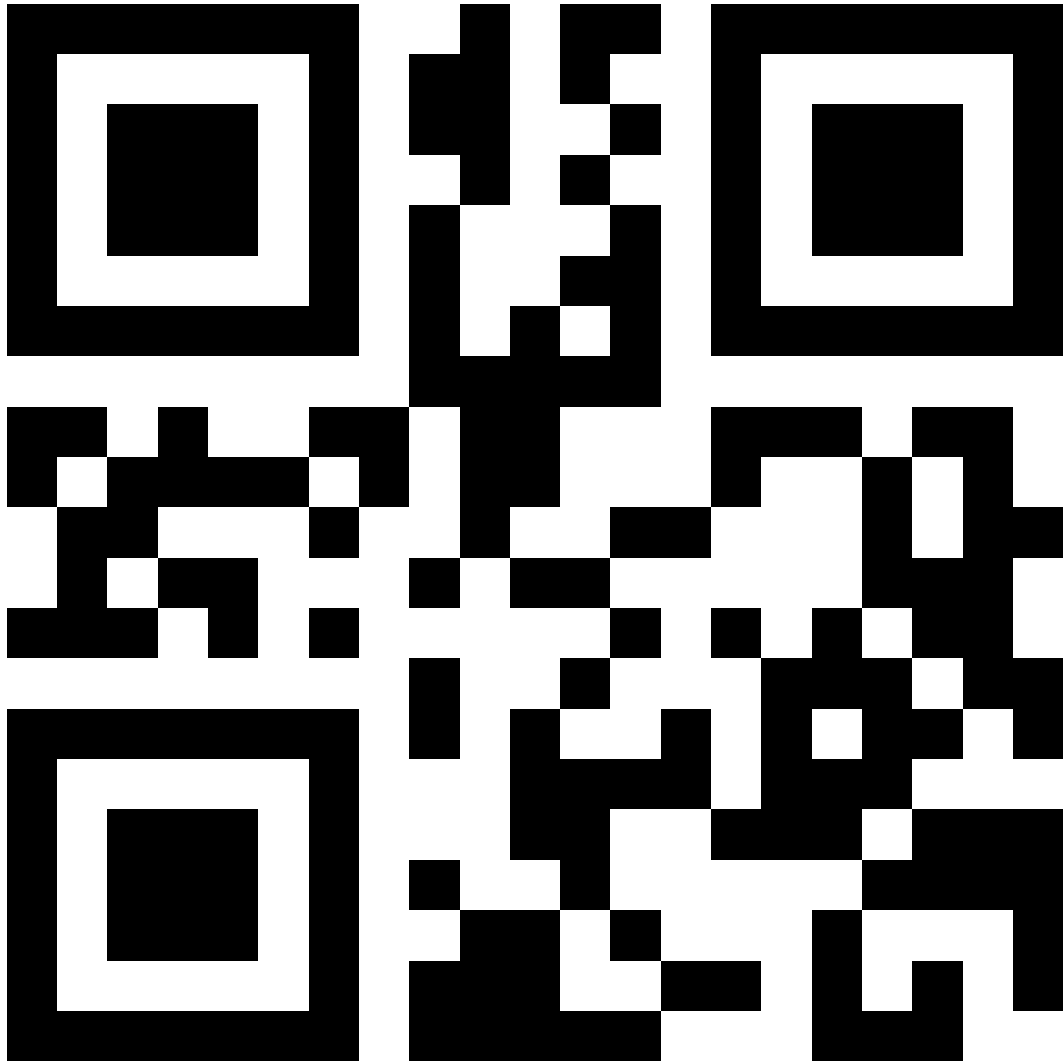

**S3G**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

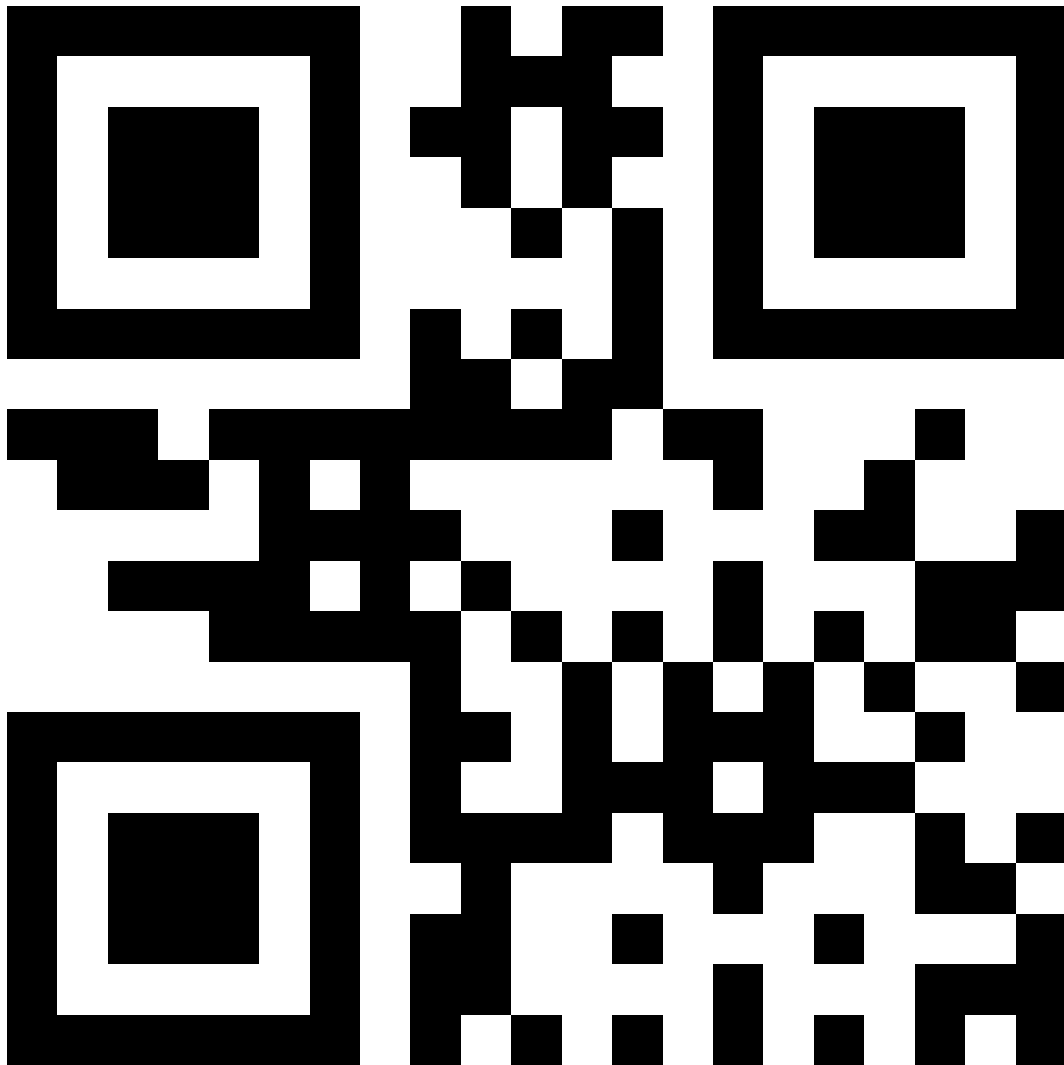

**M1F**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

**M2F**

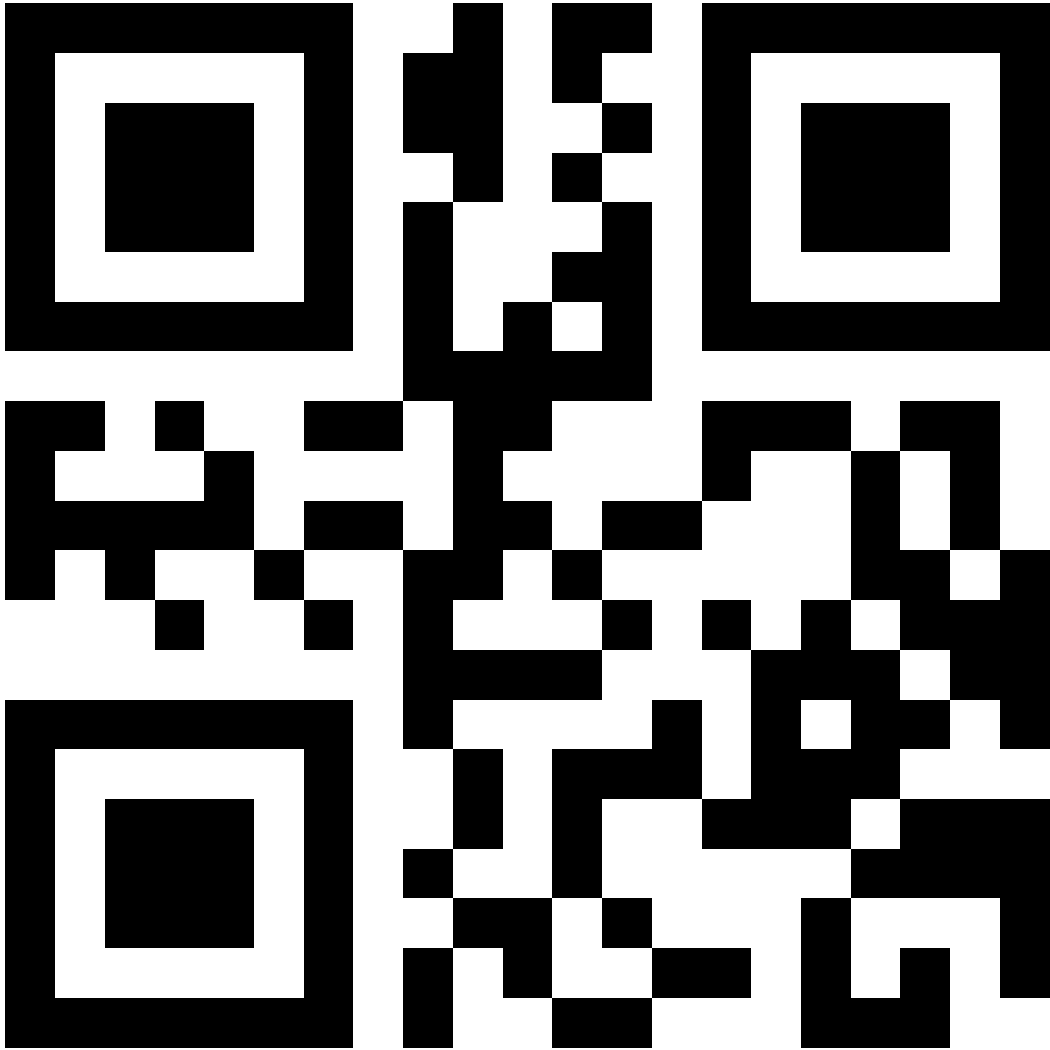

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

**M3F**

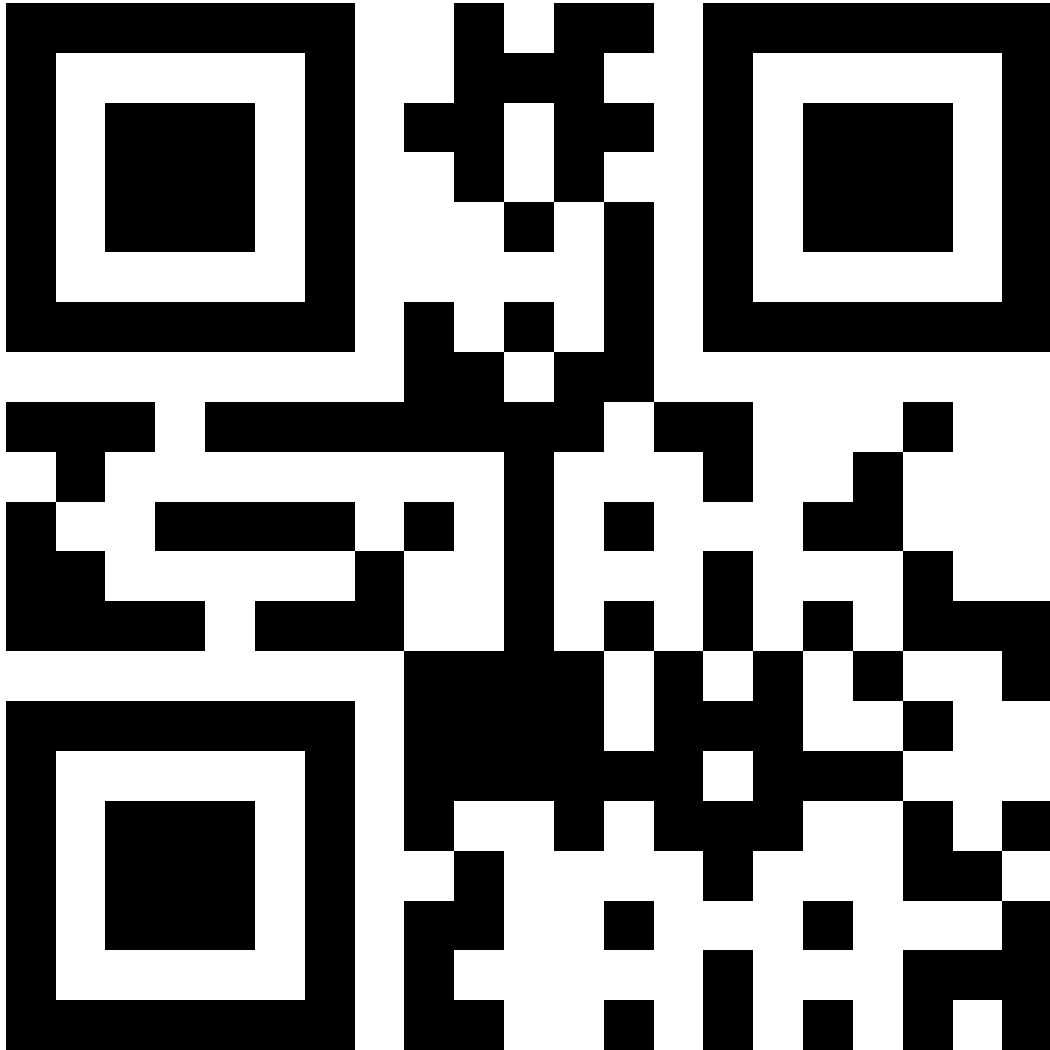

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

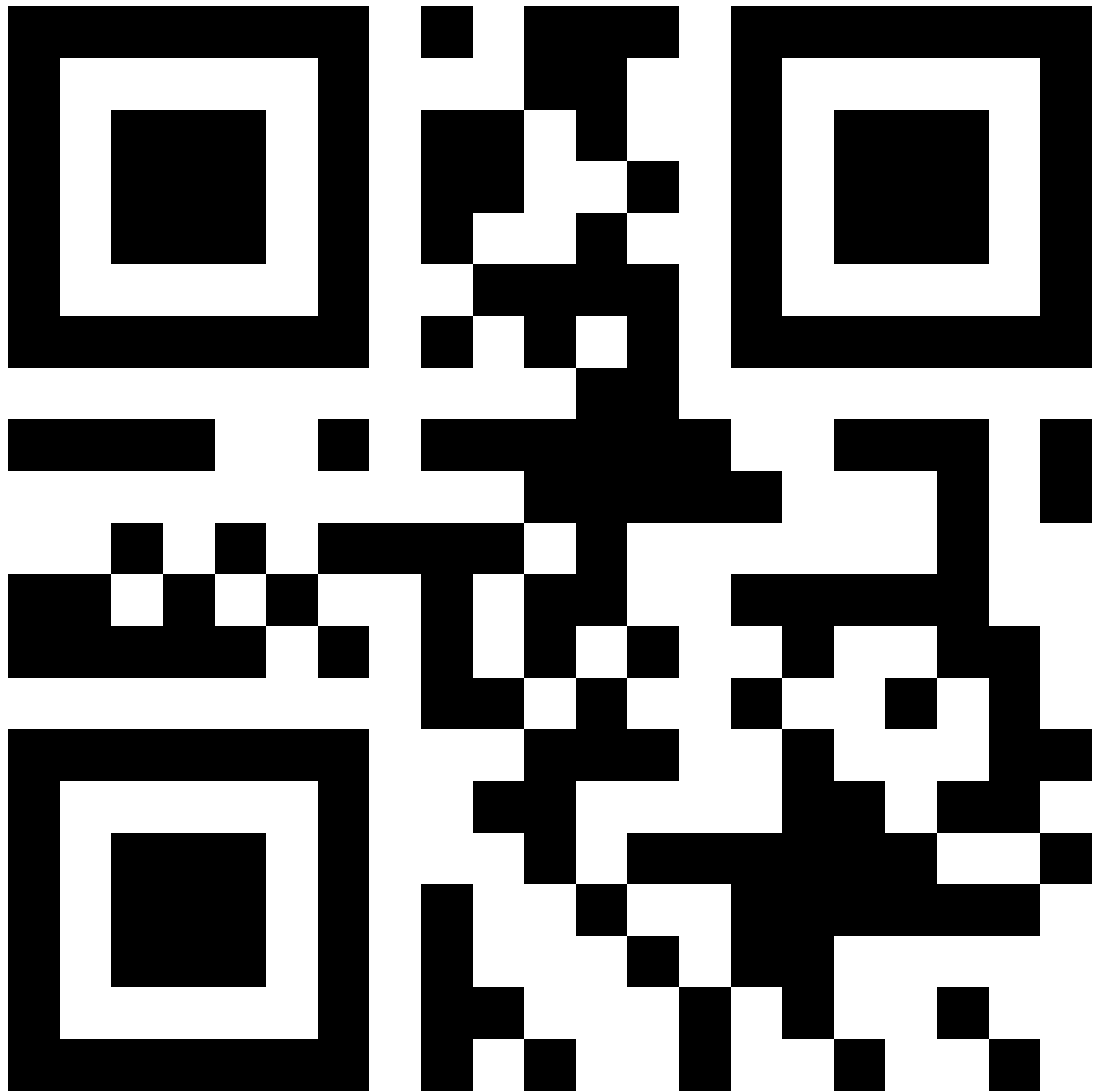

**J1F**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

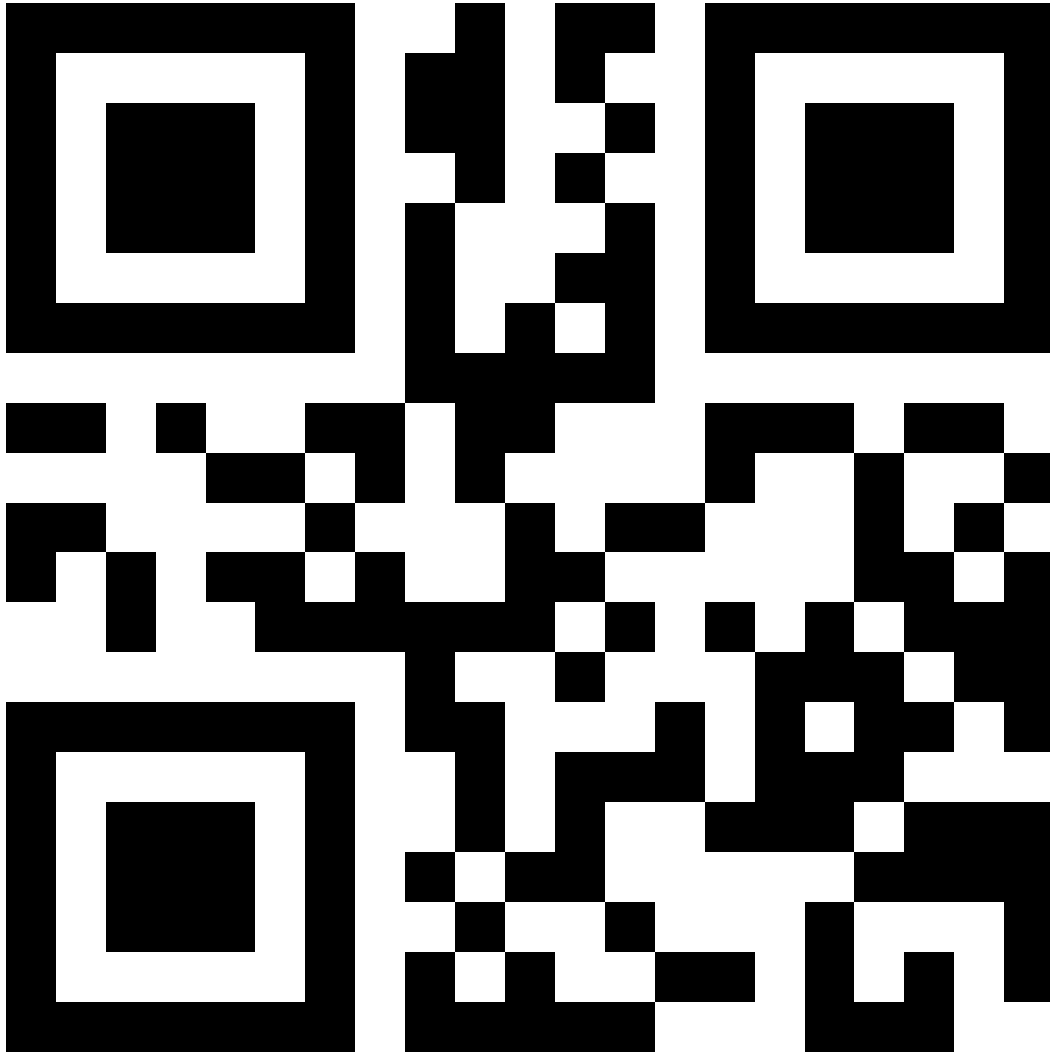

**J2F**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

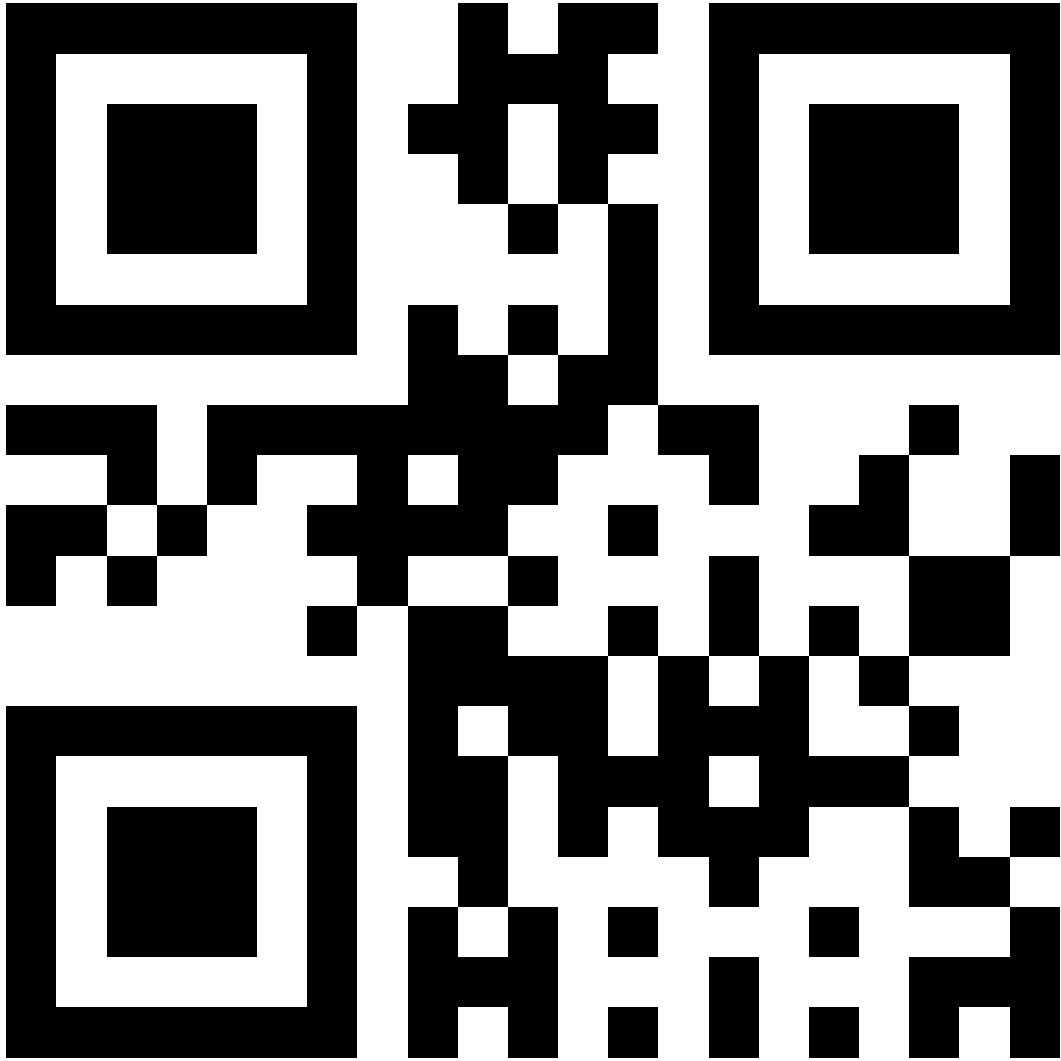

**J3F**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

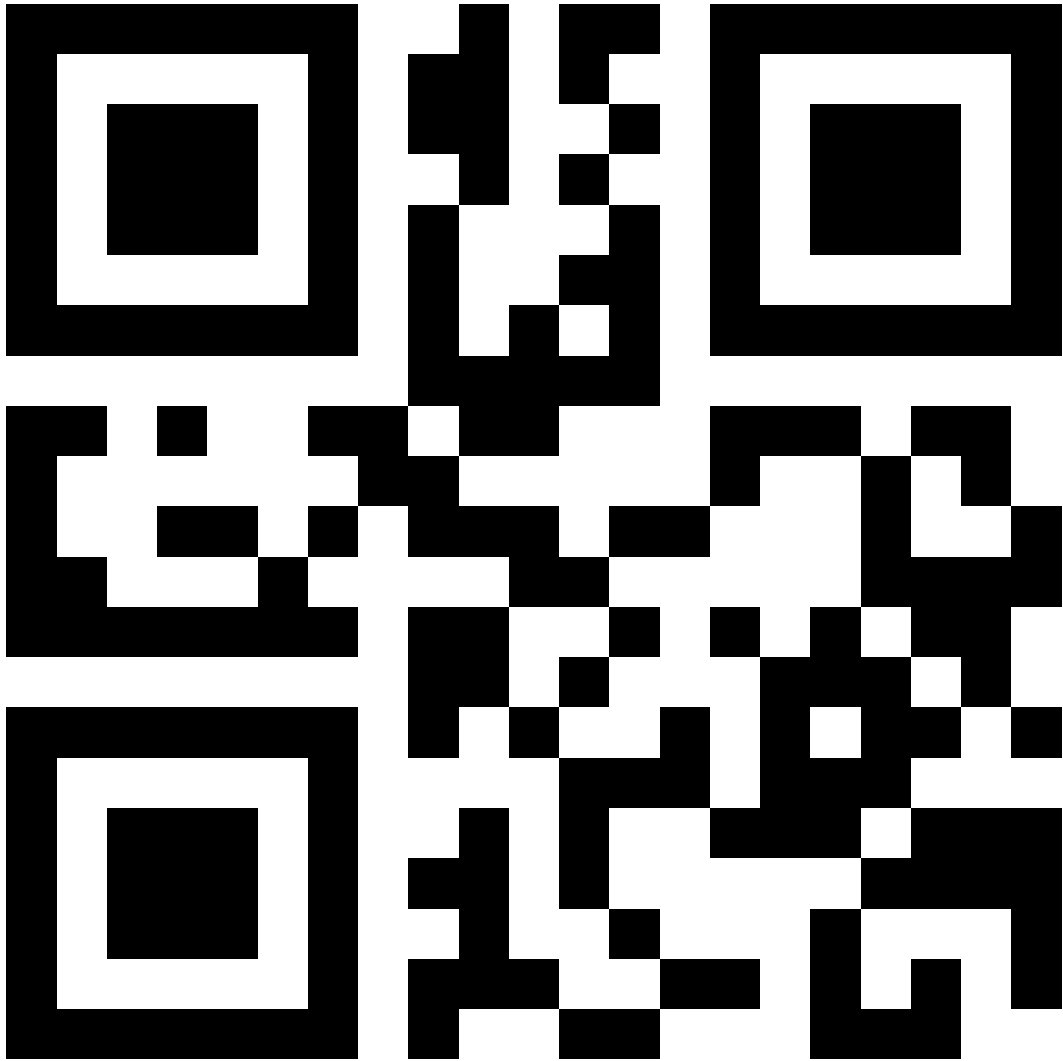

**J4F**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

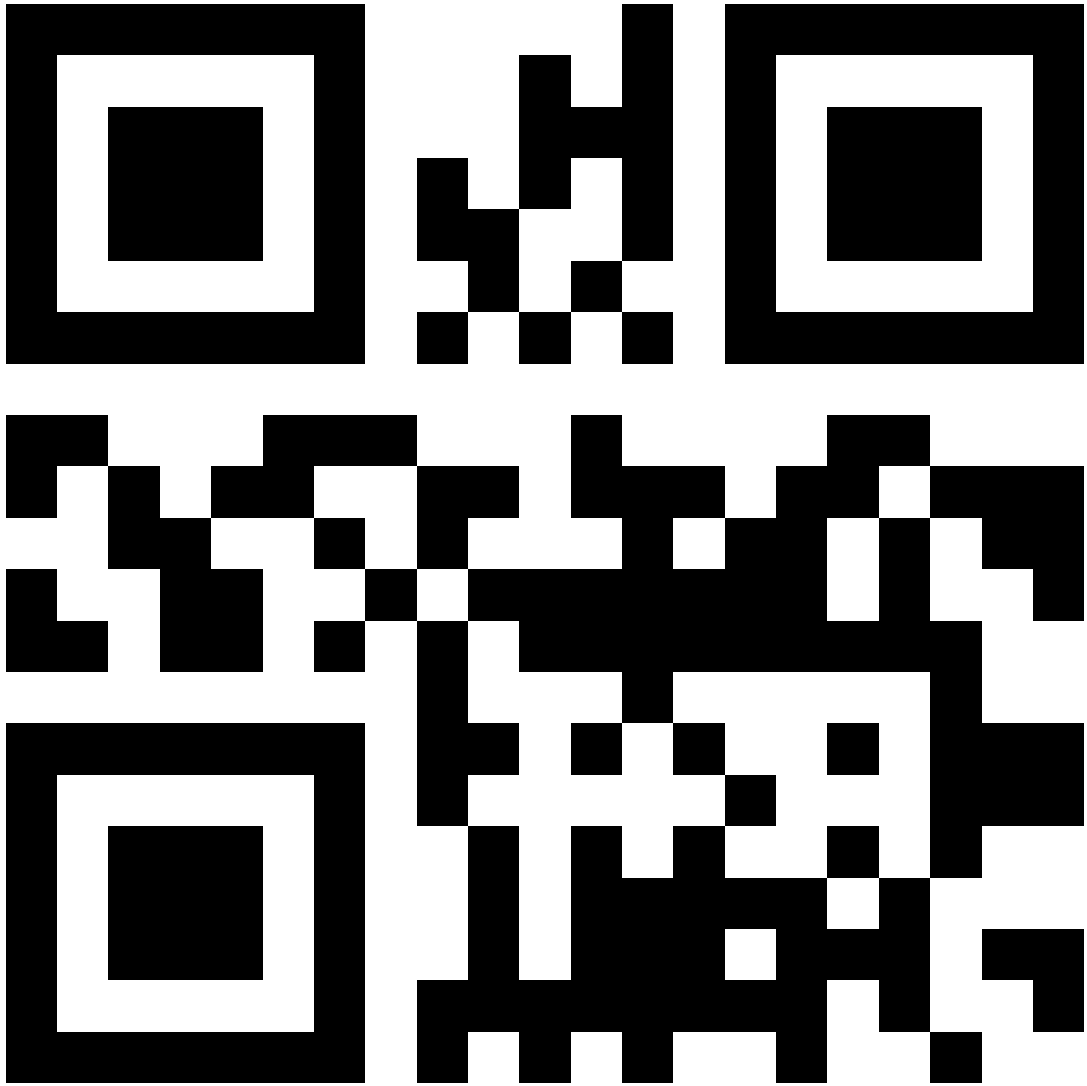

**AIF**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

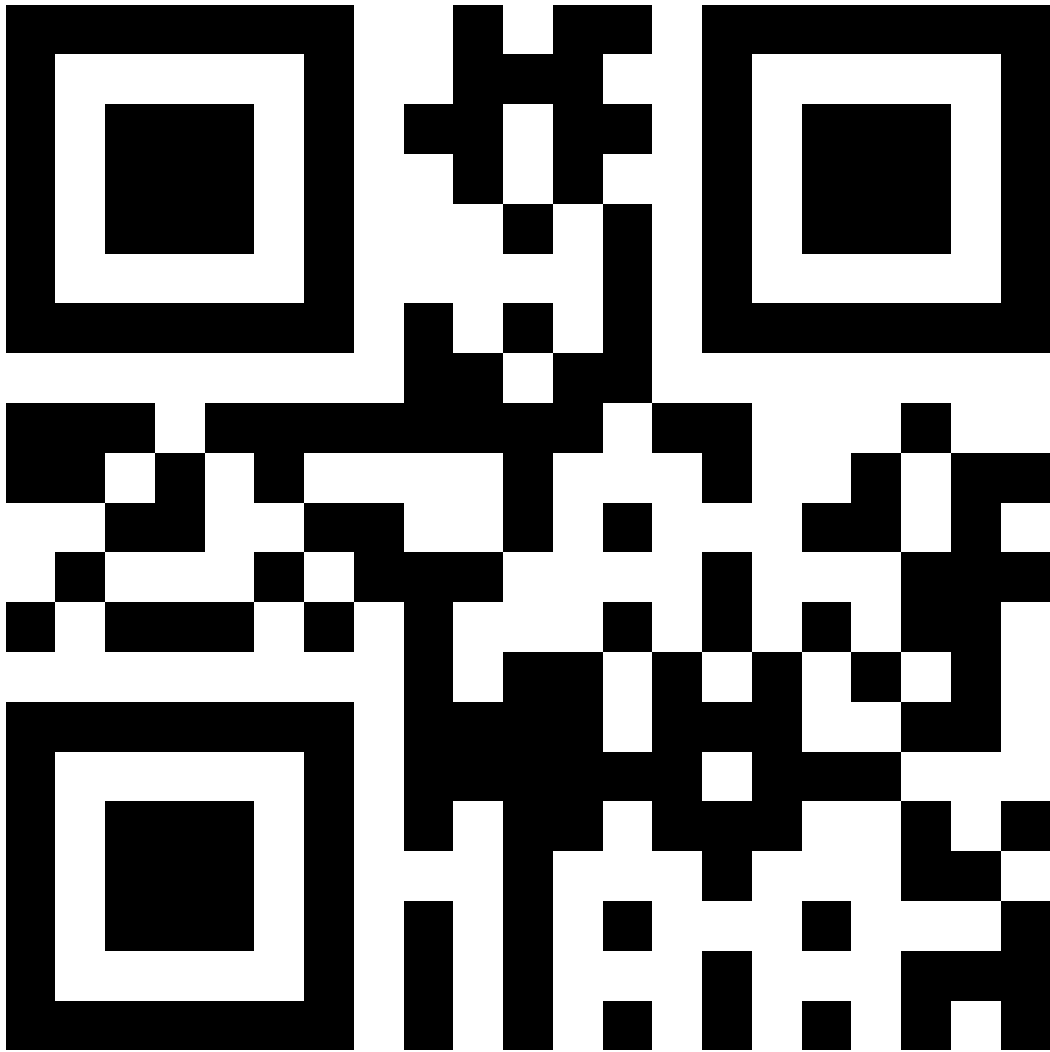

**A2F**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

**SIF**

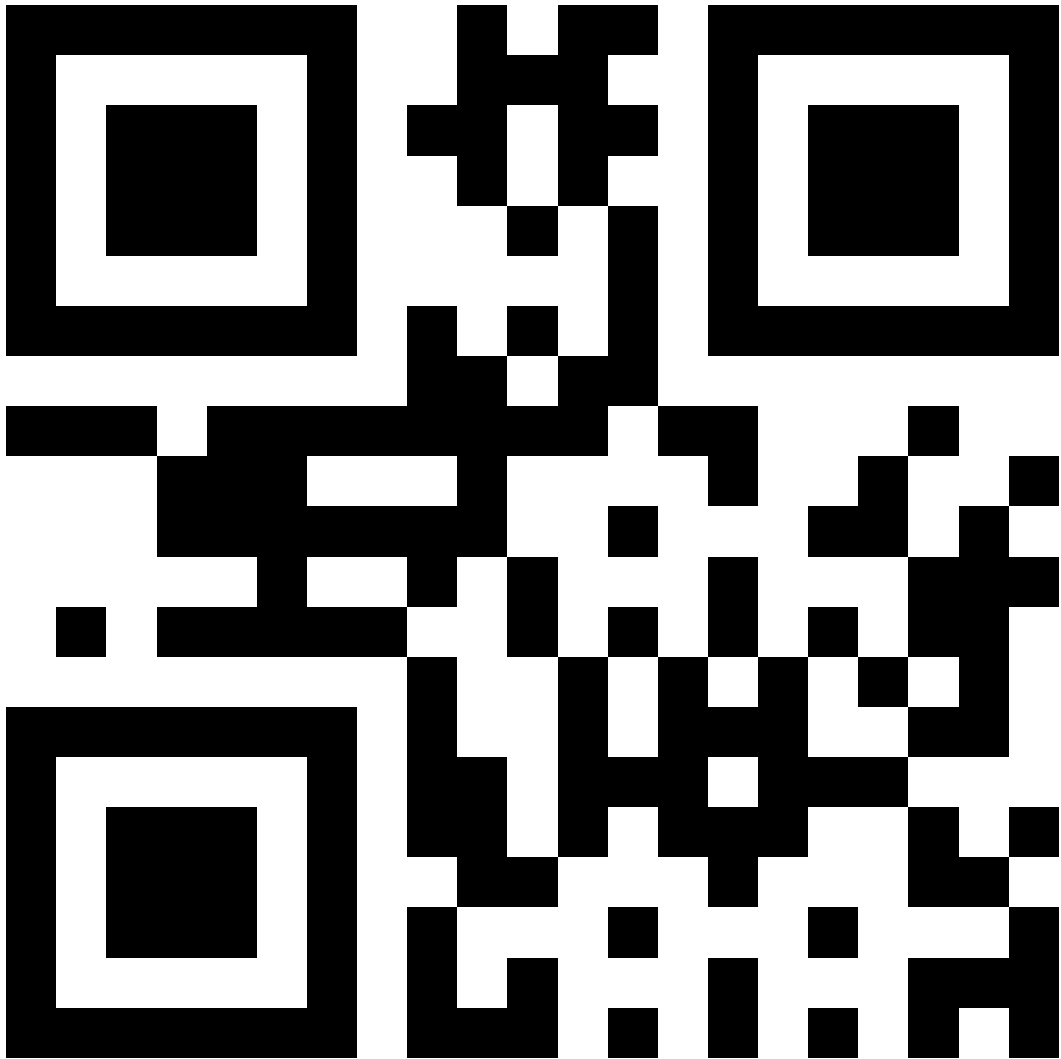

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

**S2F**

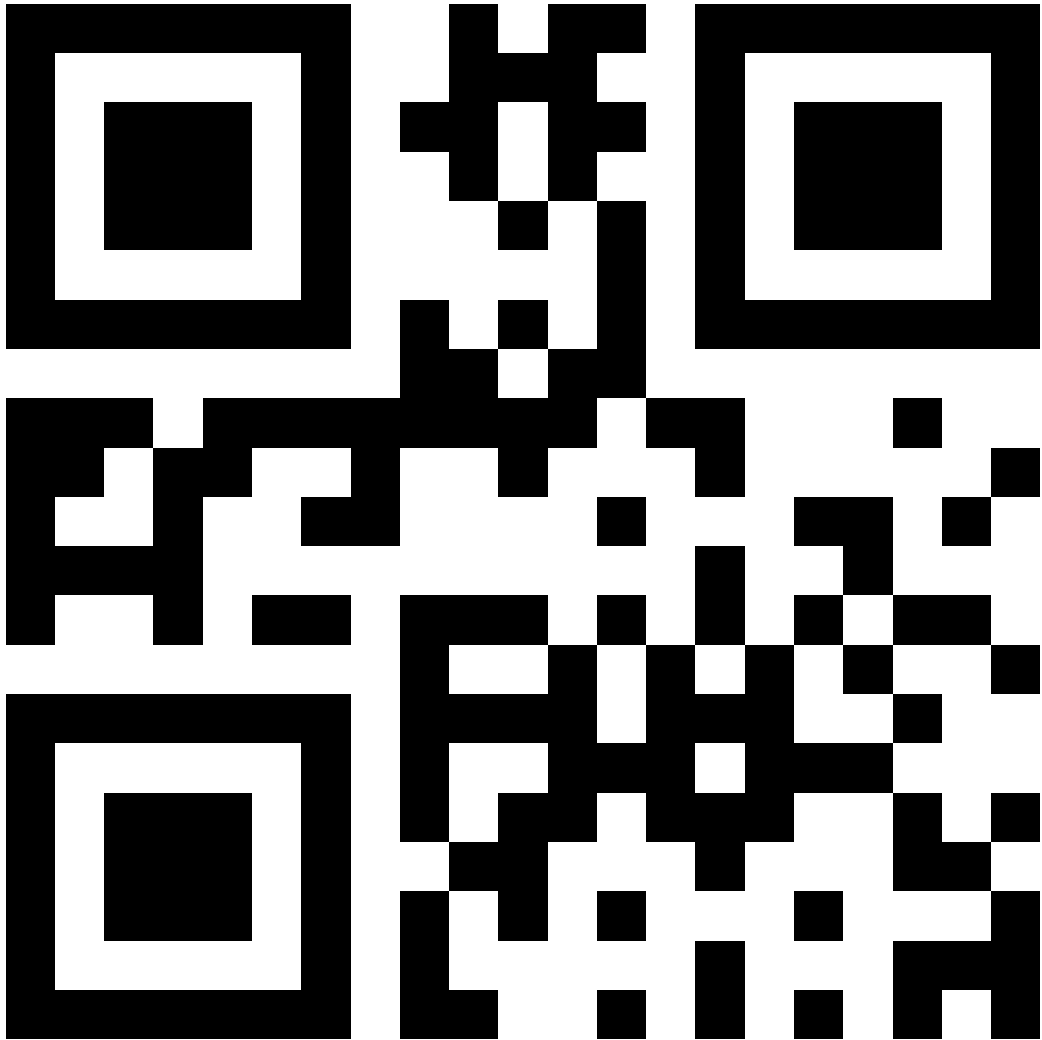

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

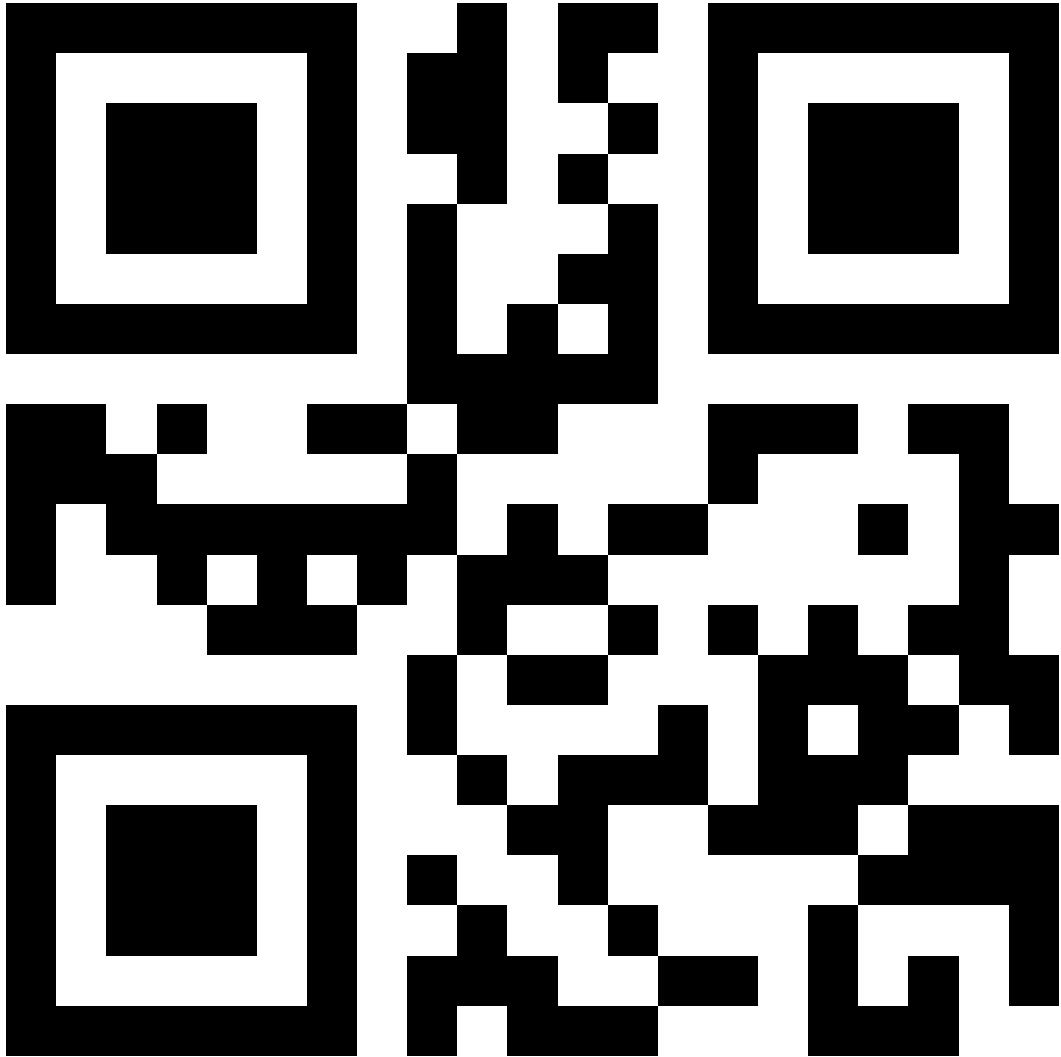

**S3F**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

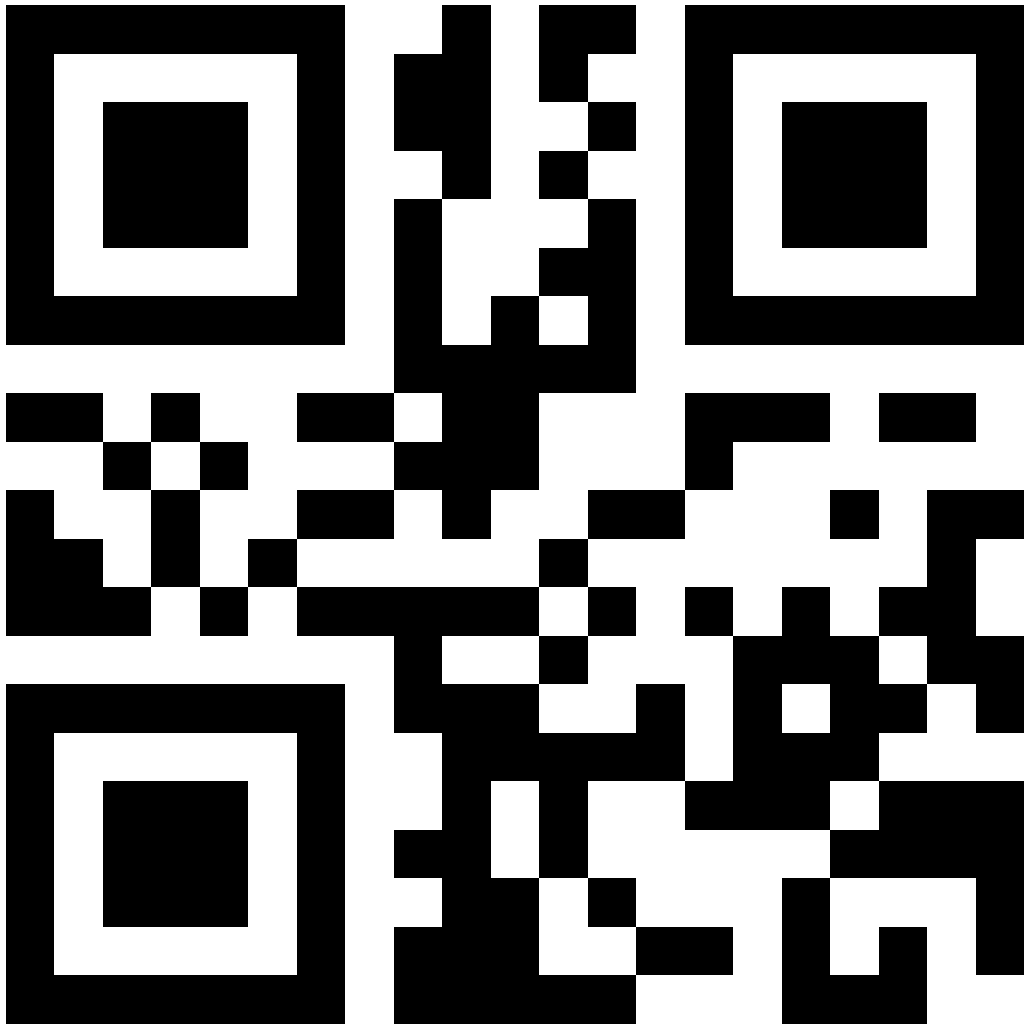

**M1S**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

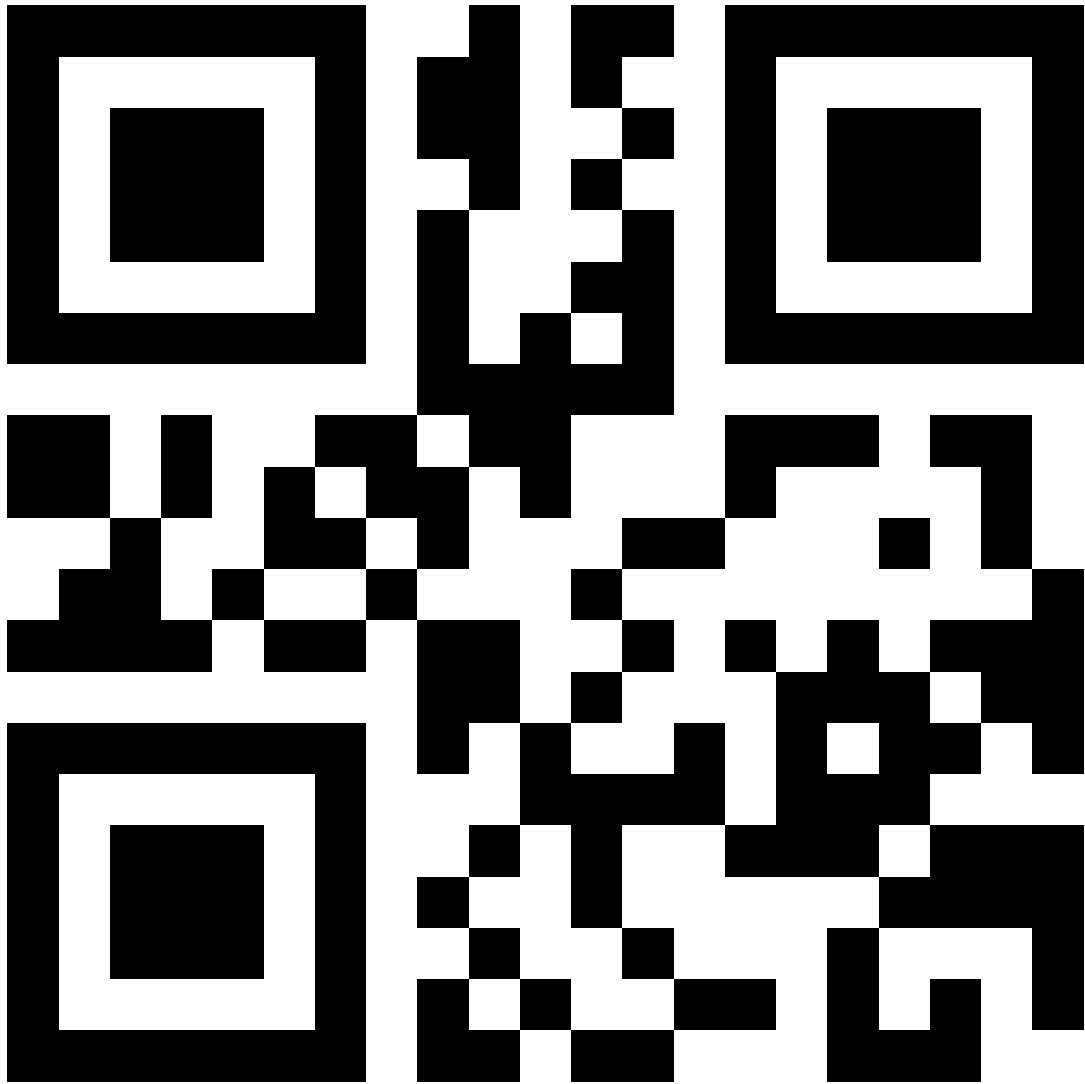

**M2S**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

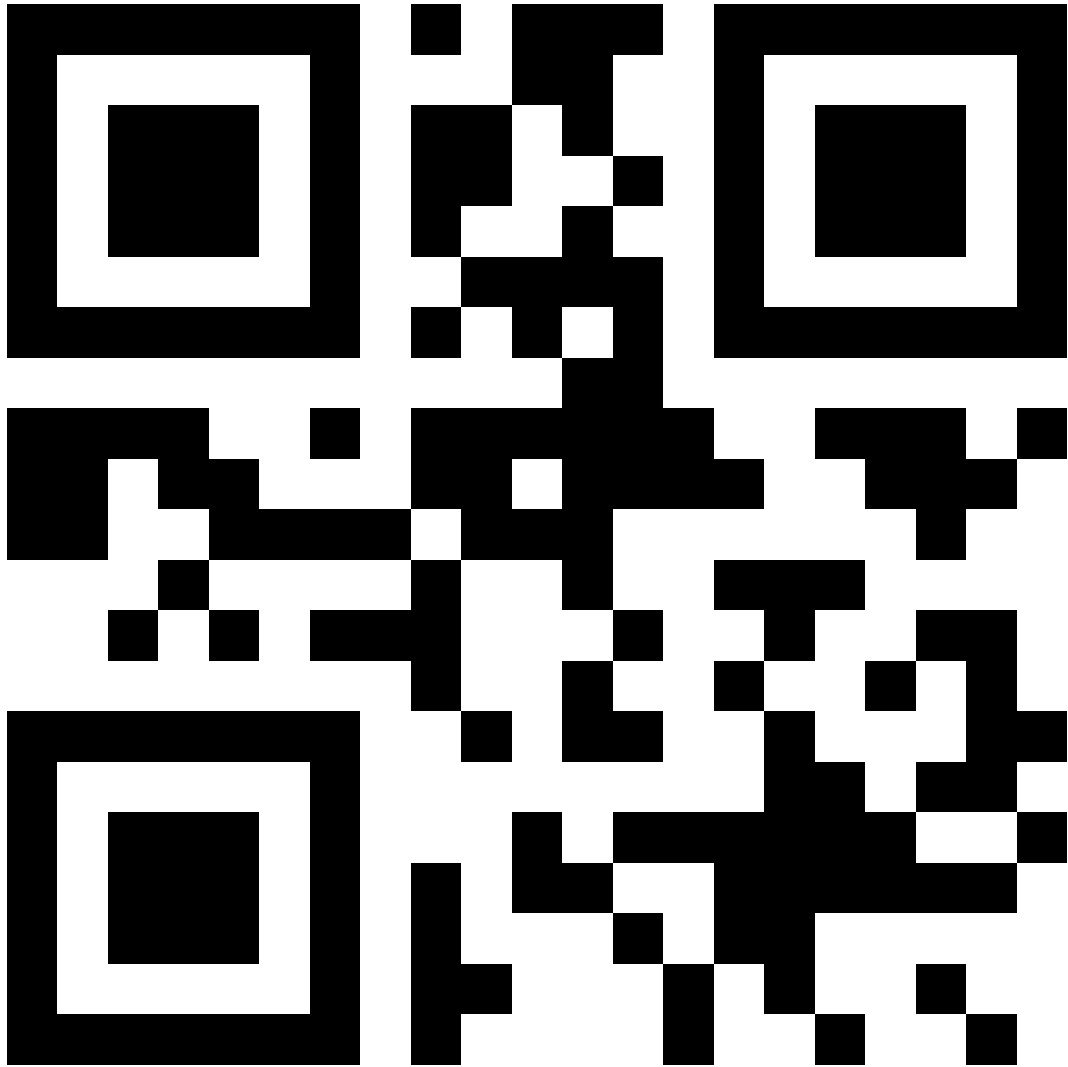

**M3S**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

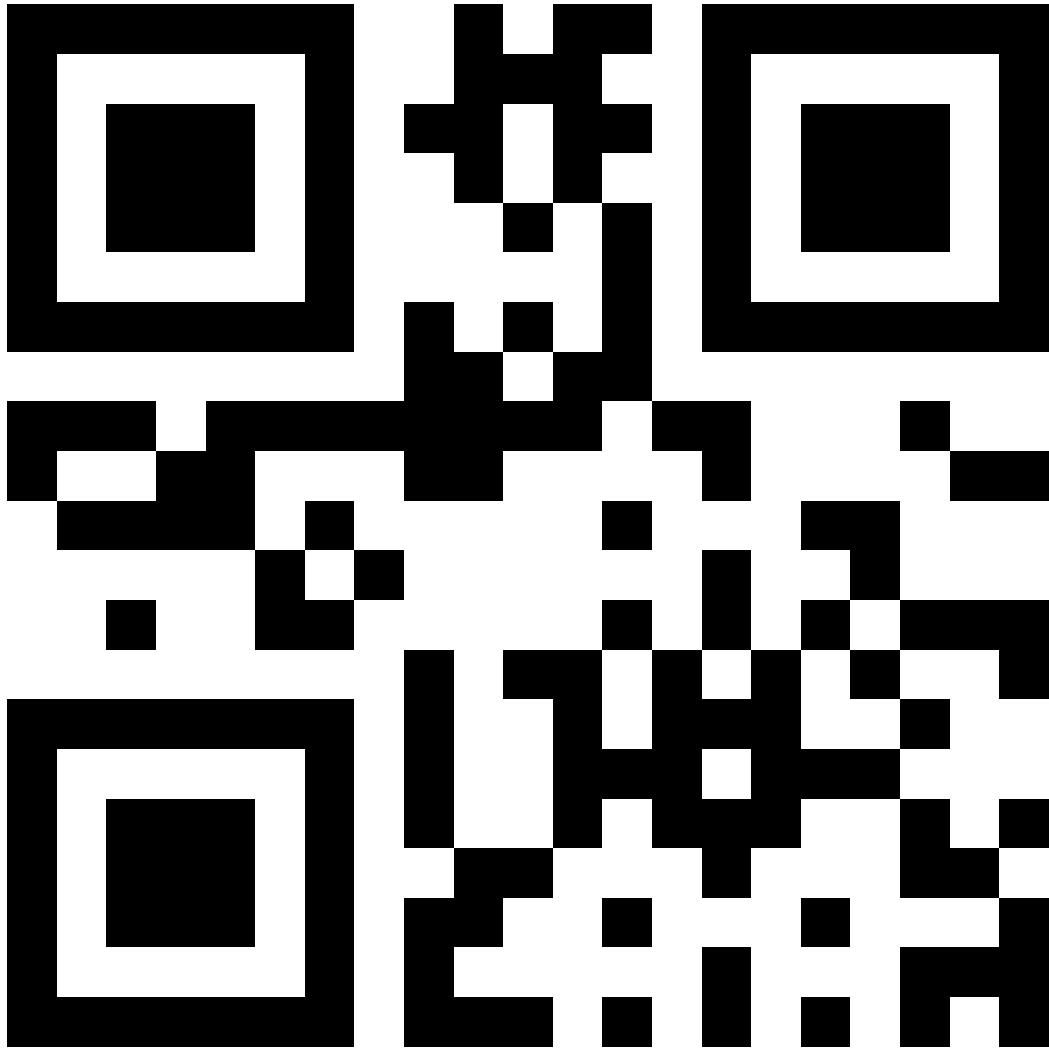

**JIS**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

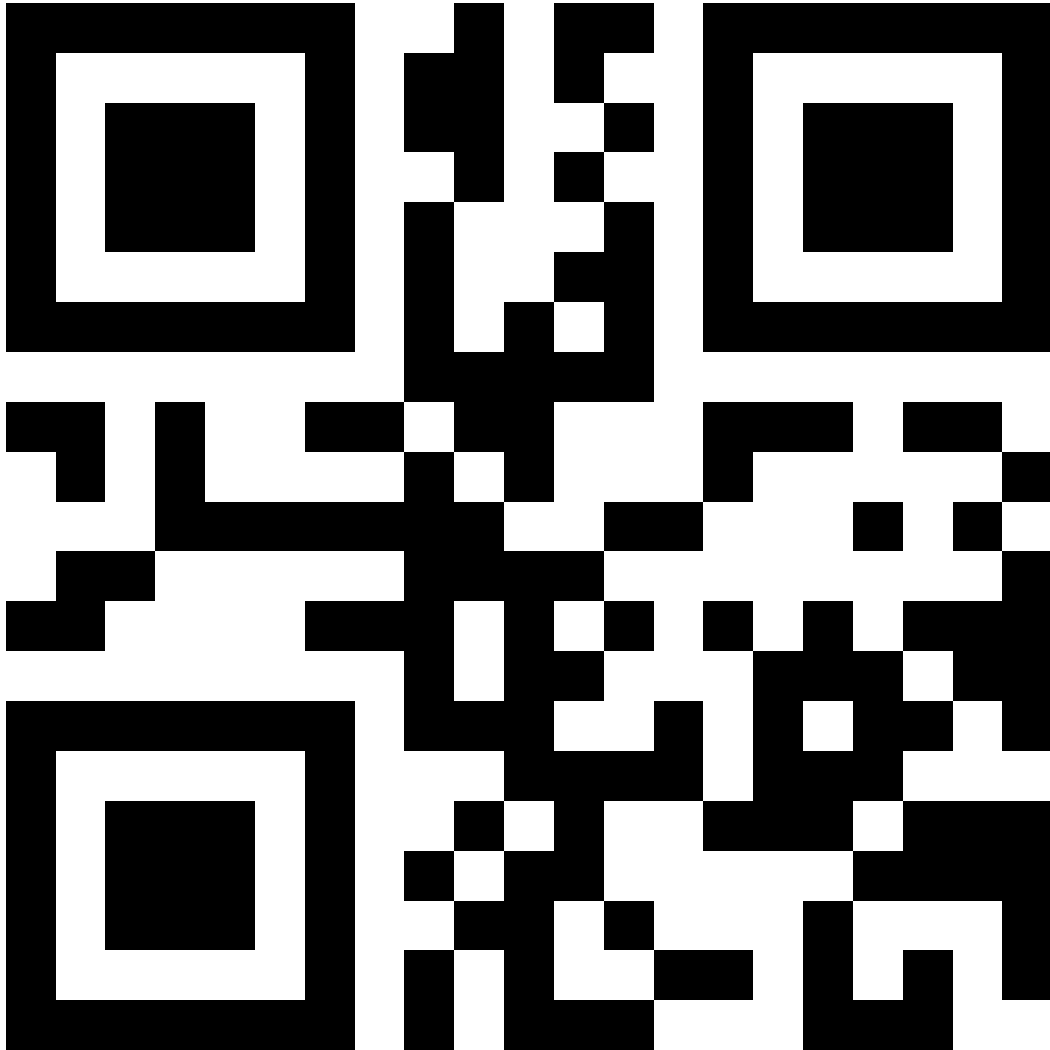

**J2S**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

**J3S**

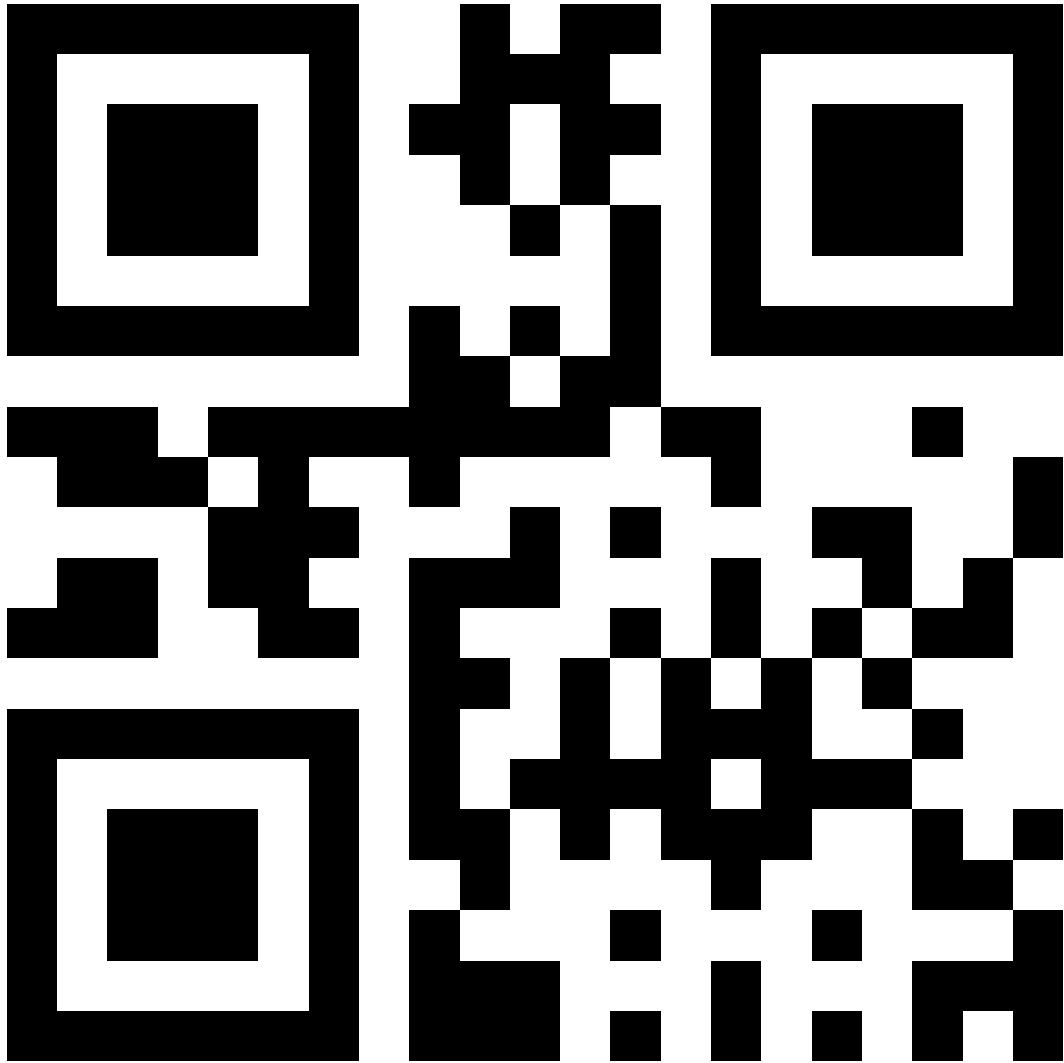

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

**J4S**

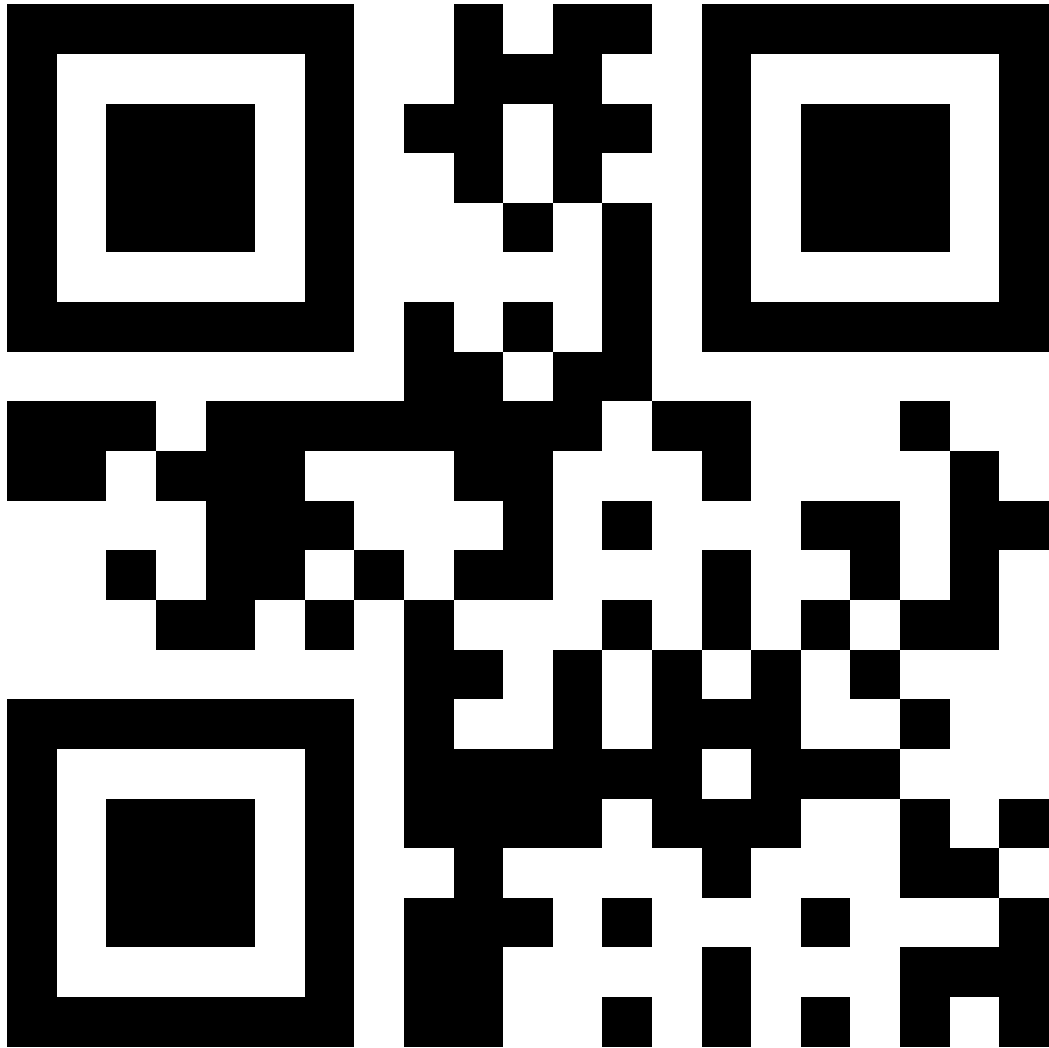

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

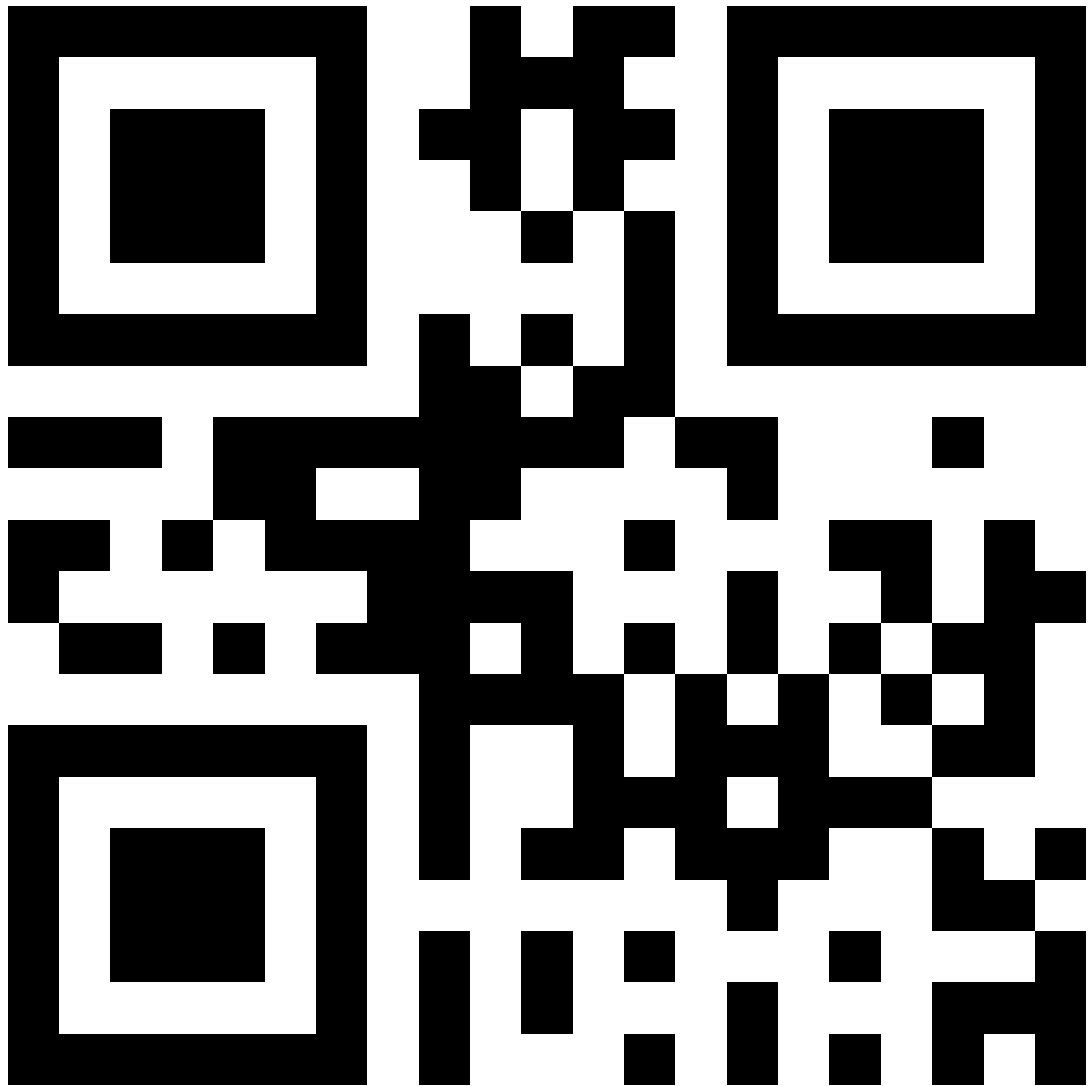

**AIS**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

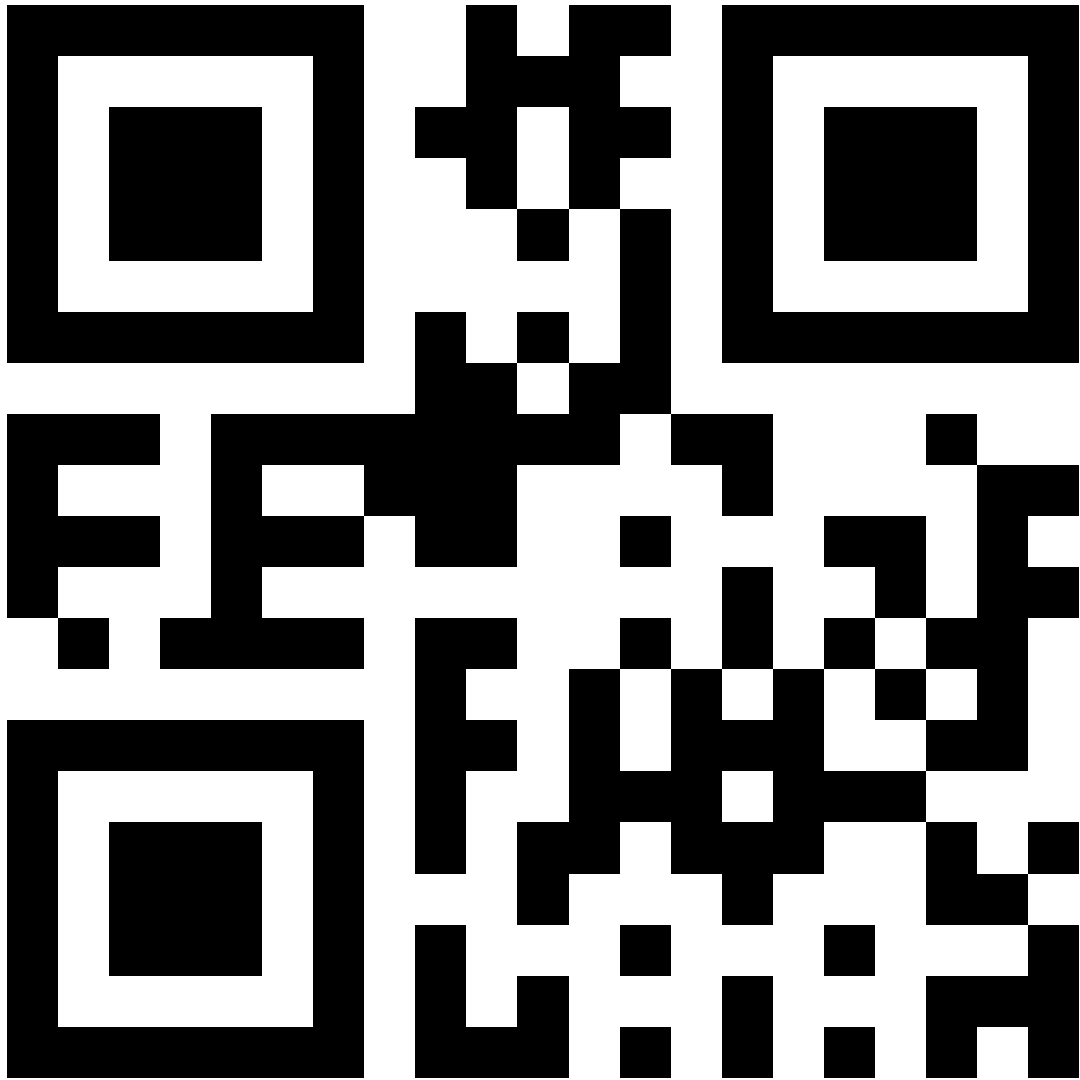

**A2S**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

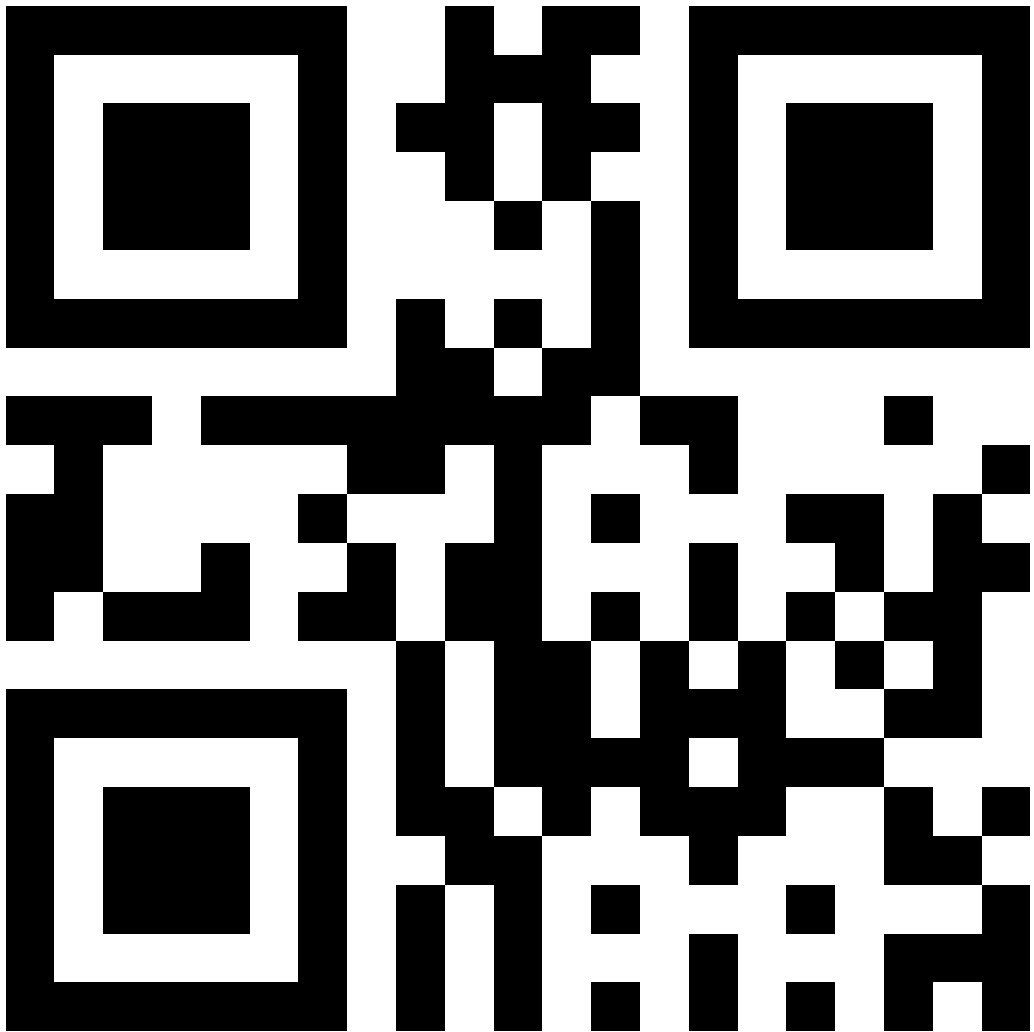

**SIS**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

**S2S**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

**S3S**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.

**App Download**

This is a Locus tile. Download the Locus app from the Play Store and scan this QR code to navigate your way around DPS Dubai.
